

## BDTTL AGM 2023 – Fixtures Secretary Officer Report

Fixture List was completed on 27 April 23 - Divisional Reports and final tables below.

This season we had far fewer instances of 2 man teams across all the divisions, and no obvious serial 'offenders'. There were no identified breaches of the 'playing up' rules. Result cards were sent in regularly with only a handful needing to be chased – which meant website was largely kept up to date throughout the season. TT365 worked like clockwork throughout the season.

### Division 1

90 Fixtures – 88 complete

9 matches were postponed during the season, 4 of which were for valid reasons, 3 were due to lack of players or short notice – These 7 were rearranged and played. There were 2 postponed matches that were not actually played and pts were awarded per the league rules:

- 22 Dec 22      Woodham A (-5pts) v Cold Norton C (9pts = 7+2)  
Originally postponed by Woodham as unable to field a team. Both teams arrived for rearranged fixture but venue was not available as Woodham had not secured booking. Cold Norton C claimed the match, and received extra 2 pts as they had won 9-1 in the reverse fixture.
- 21 Mar 23      Cold Norton C (7pts) v Cold Norton A (-5pts)  
This fixture had been previously postponed by C team when they were unable to field a team. On the night of the rearranged clash the A team did not turn up – it was an administrative error over dates by the A team capt. Cold Norton C claimed the points.

In the end it would appear that these awarded matches did not impact the title and relegation positions – but only just!
