

Burnham Table Tennis League  
AGM 2023  
Cup Secretary's Report

Having started with 20 teams back in October playing 4 matches the competition got in to full swing in early February with a round of 16.

Unfortunately one team had to endure a double bye due to the late withdrawal of 1 team.

After that the competition progressed smoothly through to the final between Woodham D and Cold Norton B.

The final was won by Cold Norton comfortably making the best use of winning the toss and choosing to play as the home side therefore maximising their chance against Woodhams best handicapped player.

For most if not all the games the handicaps seemed to work well with no glaring discrepancies, I would like to thank the other committee members who assisted me in that matter.

We could do with having more teams in the competition in the early stages there are still some clubs who do not enter a single team despite having multiple teams in the league across all 3 divisions.

On a final note I would like to thank the team captains of all those that took part for their prompt return of results and completing their matches as scheduled.
