On Monday 20TH October, 2014

Apologies:

Laurie Williams (President), Steve Bartlett (Vice President), Veronica Nicholas (General Secretary), Steve Sung (365 Administrator),

The minutes of the previous meeting were approved as a correct record.

1. Chairman – Opened the meeting.
2. Treasurer
 - a) Update
Dan reported that after some administration hiccups (the banks not ours) our bank account is now up and running. Banking can now be done online.
 - b) Balls
We have approximately £70s worth of balls in stock which are available for players to purchase at £2 a box.
3. Fixture Secretary
 - a) Cup draws
The draws took place for week commencing 3rd November details of which can be viewed on the website.
 - b) Representative teams update
We have entered two veteran and three open age teams in the Lancs/Cheshire League this season.
Congratulations go to two of our players who have been called upon to play for their respective counties:-
Ray Worthington - representing Mid Cheshire
John Chan - representing Clwyd
4. 365 Manager
 - a) Update
Steve's report highlighted the pros and cons of registering players on the ETTA Chester and Ellesmereport website and he suggested a number of

protocols to ease this process in future. The committee discussed the matter which will be taken forward for further discussion at the next meeting.

5. Division Secretaries

All division secretaries reported that their respective divisions were progressing smoothly.

6. AOB

As Groves are not hosting any further Town matches Pulford is now the home venue. This unfortunately incurs an extra cost of hiring the hall which amounts to £85 for the season. As all other costs have been borne by Dave and the teams the committee unanimously agreed that the league would cover the cost of the hall hire.

7. Date and Time of Next Meeting:

Monday 1st December, 2014
The Wheatsheaf,
2.00pm – 4.00pm
