12																									0	1	3	4	5
13																										0	2	3	4
14																											0	2	3
15																												0	2
16																													0

The player with the lower handicap will start each end behind depending on the handicap of their opponent  
 - e.g. Player A (-12) v Player X (+3): Player A will start each end 0-5 down.
