National Junior and Cadet Leagues

Introduction

EP&CTTC intend to enter a team in the National Cadet League and will enter a Junior team and additional Cadet teams if there is sufficient demand from players.

Both leagues play their matches at Halton Stadium in Widnes. The dates are expected to be:

Cadet League (for players born in 2000 or later) : Sundays 9 November, 30 November, 8 February and 29 March.

Junior League (for players born in 1997 or later): 11 October, 6 December, 24 January, 21 February.

Teams consist of three players per team and if a player plays all the games they will play a minimum of nine games on day. For this reason it is better if a squad of 4 or 5 players is used each day. We are an equality club and playing places will be shared equally between squad members on each day.
