Code of Conduct

Table tennis is a fun sport and should be enjoyed by all who play. To help everyone play to the best of their ability could we all please adhere to a few common courtesies as detailed below:

- *Table tennis is a competitive game but it's important we don't allow frustrations to boil over. Juniors play alongside adults which makes it vital that players keep their temper in check and set an example of sportsmanship at all times.*
- *Do not leave or re-enter your court during a set unless in an emergency.*
- *When waiting to re-enter your court, don't stand directly behind a player.*
- *Whilst watching do not talk whilst play is in progress.*
- *Do not call a let for your neighbours. If your ball goes into their court it is their call.*
- *Do not jump over the barriers.*
- *If you need to make or receive a phone call please wait for a break in play and leave the hall.*
- *Umpires should act neutral and umpiring should be shared equally between all players. Please be patient with juniors umpires – we all had to learn how to umpire at some point.*
- *Do not swear.*
- *Full rules & reg's can be found on our website.*
- *Table tennis is a team sport - supporting your team mates is not a crime 😊*
