Gradings for League Regulation 6.8

6.8. Where a club has more than one team in any division a player may only play for a team higher than the one for which he/she is registered in that division provided that that player's grading at the commencement of the season is lower than the gradings of the top two players already registered for the higher team concerned.

Note: These gradings should not be used for Handicap Cup purposes, the gradings for which are published elsewhere on TT365.
