

Handicap Cup Competition Rules

- A team will consist of three player
- Each player will have a personal handicap. The committee will assess each player using their previous years averages and these will be published
- If a player has a minus handicap they will start each game on half of their handicap e.g. Manoj Gandhi -4 he will start on the scoreboard at -2
- The competition will consist of 9 matches
- Each match will be two games up to 21
- Serves will change sides after 2 serves (as per the current game up to 11)
- In the event of a game reaching '20 all' the next point will produce the winner
- The teams positive number handicap will be added to the overall total and the winning team will have the most point
