SHEFFIELD TABLE TENNIS LEAGUE

*affiliated to Table Tennis England and the
South Yorkshire County Table Tennis Association*

CHAIRMAN'S FOREWORD

Over the past two or three seasons, we think we have arrested the gradual decline in the number of clubs and teams within your league but we still know that an awful lot of hard work and effort has to be put into our plans to maintain and improve things for you all. To this end, your Executive committee continue to work on this by continuously looking for new ways to develop your league and attract new people to our sport.

Once again, the Sheffield Close tournament received an excellent entry last season from seniors and juniors.

I would like to thank the team of officers and volunteers headed by Cheryl Alvey, Jim Kenny and Robert Loxley who make this tournament the success it has once again become.

This seasons Sheffield Closed Tournament will again be at the English Institute of Sport. Details and entry form can be found in the handbook. I hope to see you all there.

I would like to thank all the members of our Executive Committee who continue to work hard to ensure the smooth running of your league.

Lastly, I would like to congratulate all last season's winners and wish everyone good luck in the coming season.

a The Annual General Meeting (AGM)

The AGM shall be held before 30 June of each year, as far as is practicable. Each club shall be represented at the AGM and shall be entitled to one vote for each team registered with the League, excluding the Junior League. The quorum for the AGM shall be 50% (rounded up) of clubs registered in the STTL.

Any suggested alterations or amendments to the STTL Constitution or STTL Rules, or any other proposition, must be given in writing to the General Secretary on or before 30 April. The Executive Committee will make a preliminary examination of all proposed amendments at a meeting after that date. Any further alterations or amendments deemed necessary by the Executive Committee may be included in the list of proposed alterations submitted with the agenda to clubs at least 21 days prior to the AGM..

b Executive Committee Meetings

The Executive Committee shall meet as scheduled in the Handbook and after League Meetings when necessary. The quorum for Executive Committee Meetings shall be five members.

In any one term of office, any member of the Executive Committee attending less than 66% of scheduled meetings published in the STTL Handbook will automatically retire from the Executive Committee at the next AGM, but may apply for immediate re-election.

c League Meetings

A League Meeting consisting of members of the Executive Committee and bona fide members of each club will be held as scheduled in the Handbook. Each club shall be represented at all League Meetings and shall be entitled to one vote for each team registered with the League, excluding the Junior League. The quorum for League Meetings shall be 50% (rounded up) of clubs registered in the STTL.

A written apology would be considered by the Executive Committee, where playing commitments preclude a bona fide representative from attending. The attendance register shall be called at the end of the presentation of the officers' reports. Permission from the Chair should be sought by members if leaving before the close of the meeting.

d The Board of Appeal

The Board of Appeal shall be elected at the AGM, consisting of a minimum of five persons and a maximum of seven persons of known impartiality, to hear appeals from clubs or individuals, who feel aggrieved at a decision of the Executive Committee. The quorum for the Board of Appeal shall be three people. Notice of an appeal must be lodged with the General Secretary in writing within seven days of the decision in question. Each appeal must be accompanied by a deposit of £5, which will be forfeited if the appeal is turned down.

The Board of Appeal shall hold a meeting, as soon as possible after the appeal has been made, to hear representations, in person, from the Executive and the appellant. Written statements from the Executive and the appellant shall be given to the Board of Appeal prior to the meeting. Written or oral statements from a third party shall not be considered. The verdict of the Board of Appeal is final.

e Special General Meetings

A Special General Meeting may be convened on the written request of at least ten clubs or by seven members of the Executive Committee. The meeting shall then be held within thirty days of receipt of the request, and seven days' notice must be given by the STTL of the venue and agenda. Each club shall be represented at the meeting and shall be entitled to one vote for each team registered with the STTL. The quorum for the Special General Meeting shall be 50% (rounded up) of clubs registered in the STTL.

f Complaints and Disciplinary Procedure

Complaints against a club or individual should be addressed to the General Secretary or Chairperson. The complaint shall be investigated by them, obtaining statements from the complainant, any witnesses and the subject of the complaint. The initial findings will be anonymised and shared with the members of the executive. If it is agreed that disciplinary action should be considered a Disciplinary Committee of 4 impartial members of the executive shall be convened. Full details of the complaint and investigation shall be passed to the Disciplinary Committee. The complaint(s) and subject of the complaint shall be given at least 7 days' notice of the hearing and have the right to present their own case in person or in writing. Having heard the evidence from all parties, the Disciplinary Committee shall consider in private any disciplinary action to be taken and the chairperson shall notify all parties of the outcome within 48 hours and advise them of the right to appeal. Decisions of the Disciplinary Committee shall be ratified at the next executive meeting. In serious cases the person may be suspended pending investigation.

5 Membership of the STTL

a

b
Clubs seeking membership of the STTL should complete an application form to be given to the Handbook Secretary on or before the AGM each year. The Handbook Secretary will send a reminder to each existing club that has not made an application for entry by the AGM. Application after the AGM should be accompanied by a late entry fee of £5. The closing date for late entries will be 8 July. Entries after 8 July will only be considered for membership of the STTL to fill existing vacancies in the lowest division, unless deemed otherwise by the Executive Committee. Clubs may not be accepted for membership of the STTL if their accounts for the previous season have not been settled. Any club being excluded for this reason will, at the discretion of the Executive Committee, be considered for re-entry to the STTL the following year, subject to their application being received on or before 8 July of that year, and their accounts being cleared. Where possible these teams will be reinstated in the division in which they were previously, unless they were candidates for relegation in that season, in which case they will be considered for the next lower division.

c
Clubs must provide suitable playing facilities to the satisfaction of the Executive Committee. The table shall be clearly marked for doubles matches.

d
Clubs must advise the Competition Secretary, the General Secretary and all opponents of changes to the secretary, premises, playing night etc., and confirm the changes at the next possible League Meeting.

b

In the event of dissolution, after settling all debts and liabilities of the STTL, all remaining assets of the STTL shall become the property of the SYCTTA, or if this is not possible, then the remaining assets of the STTL shall become the property of the Table Tennis England

d

Players may not be registered for more than one club in the STTL at a time. In the event of registrations for a player being received for more than one club, the registration for the first club represented will apply.

a

Divisions will be formed as decided by the Executive based on the previous season's results. The number of teams in each division shall be decided by the Executive.

b

Promotion and relegation of teams between divisions will occur on the completion of the playing season in April.

(i)

In all divisions, with the exception of the top division, the two teams finishing in positions 1 and 2 will be promoted.

(ii)

In all divisions, with the exception of the bottom division, the two lowest placed teams will normally be relegated, together with any teams surplus to any division due to re-instatement of any teams excluded the previous year. In the event of a tie on league points, sets and then games will decide the position of each team.

(iii)

Additional vacancies due to withdrawals shall be filled by promoting the next highest team from the division below, at the discretion of the Executive Committee.

c

New clubs joining the STTL and existing teams may apply for a position in a division other than the lowest one, should a vacancy occur after normal promotion and relegation. The application, giving full details of playing strength must be made before or at the AGM, for consideration by the Executive Committee.

Before the start of the match, the home team will write the names of its players, in order of play, on the score card. Then the visiting team will add its players' names, in order of play. The sets (best of five games) shall be played in the following order:- A v X, B v Y, C v Z, B v X, A v Z, C v Y, Doubles, B v Z, C v X, A v Y. The match will start at 7.15 pm.

Any set not played in the proper order through the absence of a player, or reserve, shall be forfeited to the opposing team, except by prior mutual consent. Players arriving after 9 pm or the completion of all other sets in the fixture, whichever is the earlier, shall not be allowed to take part in the fixture.

e

In the event of short teams and ineligible players, the sets shall be awarded to opponents except where both teams field a short team or ineligible players, in which case the sets shall be declared null and void. If a team has only one player, then that team shall forfeit the match.

f

Visitors shall umpire the first set and subsequent sets will be taken by alternate teams.

g

Matches shall be played on only one table unless play on two tables is necessary to ensure completion of all sets. If play on two tables is required, the home captain must inform his/her opponents by 9 pm. The away team is obliged to comply with the request. Failure to do so will normally result in the forfeiture of any unplayed sets.

h

The home team shall forward the completed score card, signed by one player from each team, to the Competition Secretary, the card to be received within seven days of the match played. Any alteration on the card shall be initialled by one player from each team. Only official score cards will be accepted. i

Two league points shall be awarded to the team that wins the match and one point shall be awarded to each team for a draw.

j

At the end of the season, the team that obtains the highest number of league points in each division will be the champions of that division. In the event of a tie on league points, sets and then games will decide the position of each team.

k

Any team that withdraws during the season shall have all their matches declared void.

l

Should a team forfeit, concede or not fulfil a match, the opponents shall be awarded two league points and 10 sets. The defaulting team will be deducted one league point unless there are exceptional circumstances approved by the Executive.

m

All matches shall be played during the week shown in the fixture list. A match may only be postponed if the opposing team agrees, or if there are exceptional circumstances approved by the Executive. In these situations, the home team must provide, three dates not conflicting with scheduled matches, within seven days of the original fixture. A copy must be sent to the Competition Secretary. Failure to comply will normally result in forfeiture of points.

In all cases of a postponement, both clubs shall notify the Competition Secretary in writing within seven days of the end of the original playing week. Postponed matches between teams from the same club will be declared void if not played within 14 days of the original scheduled playing week. All other postponed matches will, at the discretion of the Executive Committee, normally be declared void if not played within four scheduled playing weeks of the original scheduled playing week. However rule 2e applies.

Where a match has not been fulfilled through unforeseen or unavoidable circumstances, written application giving full details must be made by both teams to the Competition Secretary in writing within seven days of the end of the original playing week. n

Players shall not play in more than one match scheduled for any one week excluding rearranged matches. Any player who plays a match on a scheduled week may not play for any other team that has a rearranged match from that week.

o

Where a club has more than one team in the STTL, a player may play in any team until a total of six single sets have been won in senior teams, after which the player will be ineligible to play in junior teams. An A team is senior to a B team, which is senior to a C team etc. In the case of 'named' teams, seniority shall be agreed by the Executive Committee at the start of the season.

p

If a player is ranked nationally in the top 75 men or 20 women for any period of time, then that player must either play in a minimum of 40% of the remaining available league fixtures (rounded to the nearest whole number) from the date of registration or ranking whichever occurs last, or play in a minimum of 40% of the available league fixtures (rounded to the nearest whole number) from the date of registration whichever is the smaller or else any sets won in that time period will be forfeited and be awarded to the opponents. The player will not be allowed to play in any postponed or rearranged fixture prior to that date

q

Where a club has more than one team in a division when submitting its first list of registrations, the club must nominate three players for each team in that division. All nominated players may play for any team, except the other team (or teams) of that club in the same division. These nominations must be approved by the Executive Committee and may be amended by the Executive Committee in light of subsequent registrations. Any player or players making more appearances in a team than any two of the three nominated players for that team shall remain tied to that team until such time as this no longer applies. On one occasion only during the first six league matches of the season, re-nomination of a club's team may be made with the approval of the Executive Committee, if the original nominated player or players is/are unable to play for that team due to illness or other unforeseen absence not envisaged at the time of the nomination.

r

Protests and/or claims (including conceded matches) must be forwarded in writing within seven days of the occurrence to the Competition Secretary, with a copy being sent to the opponents.

4 3-a-side Competition

a

All STTL teams are automatically entered in the 3-a-side Competition and are charged accordingly, unless the team opts not to enter. A team not entering must inform the 3-a-side Secretary in writing by 31 July. Only STTL registered players may play in the competition.

b

The Competition shall be divided into three sections: a top section for Division 1 and 2 teams, a middle section for Division 3 and 4 teams, and a lower section for Division 5 and 6 or lower teams. Players shall only be eligible to compete in the section in which the majority of their league fixtures have been played at the playing date of each round. However should a player subsequently become tied to a team in a higher section (rule 3p), that player shall be deemed ineligible. A player may not play in a semi-final or final unless that player has played at least six league fixtures in a division that relates to that section of the 3-a-side cup

c

Each team shall consist of a maximum of five players from the same club, any three of which may play a match. At the time of the first round of fixtures in the competition, the names of every player of each team entering the competition, including those teams with a bye in the first round, shall be given to the 3-a-side Secretary. Any amendments will not normally be allowed.

d

If possible, the draw will take place at the Handbook Meeting or at a League Meeting. The team drawn first will have the choice of venue for the match. Matches shall be played in the designated weeks as given in the STTL Handbook, with the home team confirming the playing night with the opposing team. For subsequent rounds, the 3-a-side Secretary will notify the relevant club secretaries of the draw giving at least 24 days to complete the fixtures.

e

The match shall be played under the same rules as a league fixture (rule3a-g), with the exception that there will be no doubles set.

f

The official score card shall be sent to the 3-a-side Secretary by the winning team immediately after the match.

g

A claim, in respect of an unplayed tie, must be forwarded to the 3-a-side Secretary in writing by the club or team concerned, with a copy to the opponents, within three days of the closing date of the round. In the event of neither a claim nor a result being received by the 3-a-side Secretary within three days of the closing date of that round, both teams shall be eliminated from the competition.

h

The Executive Committee may, under certain circumstances, vary the rules regarding the draw and playing of matches.

i

The 3 a side secretary reserves the right to apply STTL rules and fines where applicable

b

Entry shall be open to players registered with the STTL, (Sheffield Junior League included) who have played a minimum of matches determined by the tournament committee and published on the entry form at the closing date for entries, which shall be no less than 14 days prior to the tournament.

c

Entries shall be submitted to the Closed Tournament Secretary on the entry form found in the Handbook. Block entries from clubs will be accepted if all the required details on the form are given.

d

If there are less than four entries for an event, that event will not take place.

e

It is the responsibility of both players to indicate their partners in the doubles event on the entry form. When a partner is requested, or where entries do not show an agreement of pairing, the Tournament Committee shall have the right to decide the pairing.

f

The tournament shall be controlled by the Tournament Secretary and the Tournament Committee, who shall elect a person to act as Referee for the event. The Referee shall be responsible for the seeding of players, the draw, the order of play and other aspects of the tournament as required.

g

Except at the discretion of the Referee, the losing player must umpire the next match on that table. Failure to do so may result in refusal of entry for future tournaments.

The Rules of the ITTF on SERVING

2.06 THE SERVICE

2.06.01 Service shall start with the ball resting freely on the open palm of the server's stationary free hand.

2.06.02 The server shall then project the ball near vertically upwards, without imparting spin, so that it rises at least 16cm after leaving the palm of the free hand and then falls without touching anything before being struck.

2.06.03 As the ball is falling the server shall strike it so that it touches first his or her court and then, touches directly the receiver's court; in doubles, the ball shall touch successively the right half court of server and receiver.

2.06.04 From the start of service until it is struck, the ball shall be above the level of the playing surface and behind the server's end line, and it shall not be hidden from the receiver by the server or his or her doubles partner or by anything they wear or carry.

2.06.05 As soon as the ball has been projected, the server's free arm and hand shall be removed from the space between the ball and the net.

The space between the ball and the net is defined by the ball, the net and its indefinite upward extension.

2.06.06 It is the responsibility of the player to serve so that the umpire or the assistant umpire can be satisfied that he or she complies with the requirements of the Laws, and either may decide that a service is incorrect.

2.06.06.01 If either the umpire or the assistant umpire is not sure about the legality of a service he or she may, on the first occasion in a match, interrupt play and warn the server; but any subsequent service by that player or his or her doubles partner which is not clearly legal shall be considered incorrect.

2.06.07 Exceptionally, the umpire may relax the requirements for a correct service where he or she is satisfied that compliance is prevented by physical disability.
