(b) Any complaint against a club, club member, or league committee member shall be made in writing by letter or 'fax' without delay to the General Secretary, who shall refer the same to the next convenient meeting of the Executive Committee. Within seven days of its receipt, the General Secretary shall send to the Complainant and to such Club, Club Member or League Committee Member invitations to attend such meeting or (in the case of such Club, Club member or League Committee Member) to submit a response in writing by letter or 'fax' to the said complaint not later than seven days before the date of the said meeting.

GENERAL POWERS OF THE EXECUTIVE COMMITTEE.

52. The Executive Committee shall have the power to deal with all matters arising from and not covered in these rules and to take such action, as it shall in its discretion think fit, providing that such matters are reported to the Annual General Meeting.

THE USE OF MORE THAN ONE TABLE- A RULING BY THE EXECUTIVE COMMITTEE.

1. There is no compulsion to play on more than one table; it is a matter for agreement between the two captains involved.

2. If either captain does not wish to play on more than one table; that is the end of the matter, there must be no accusations of being unsporting if a captain so decides.

3. Because the away team would probably be under more of a handicap than the home team if more than one table is used, the away captain must be allowed to choose the order of play. If the home captain does not agree with that order of play the agreement to play on more than one table becomes void.

The 100 Plus Club was the brainchild of Gordon Greenfield, one of the League's Vice Presidents. The first draw was held in December 1973.

Since then, the League has been able to assist member Clubs with grants and loans from the fund. This has enabled them to purchase new equipment when their existing equipment was showing signs of “old age”.

This has ensured that the majority of table tennis played in the league is on good quality tables, thus, our league is at the forefront of leagues as it always has been, and hopefully always shall be.

On page 19 is an application form for membership to the 100 Plus Club.

If you would like to help to ensure that table tennis thrives, especially in the North Middlesex Table Tennis League, complete the form and send it to me, Harold Webb, as soon as possible.

The Draws are at the Pre Season Meeting in September, sometime close to Christmas, during the Closed Tournament whenever it is scheduled, and at the AGM in May,.

Rules of the North Middlesex Table Tennis League

2.5.10 The receiver is the player due to strike the ball second in a rally.

2.5.11 The umpire is the person appointed to control a match.

2.5.12 The assistant umpire is the person appointed to assist the umpire with certain decisions.

2.5.13 Anything that a player wears or carries includes anything that he was wearing or carrying, other than the ball, at the start of the rally.

2.5.14 The ball shall be regarded as passing over or around the net assembly if it passes anywhere other than between the net and the net post or between the net and the playing surface.

2.5.15 The end line shall be regarded as extending indefinitely in both directions.

2.6 THE SERVICE

2.6.1 Service shall start with the ball resting freely on the open palm of the server's stationary free hand.

2.6.2 The server shall then project the ball near vertically upwards, without imparting spin, so that it rises at least 16cm after leaving the palm of the free hand and then falls without touching anything before being struck.

2.6.3 As the ball is falling the server shall strike it so that it touches first his court and then, after passing over or around the net assembly, touches directly the receiver's court; in doubles, the ball shall touch successively the right half court of server and receiver.

2.6.4 From the start of service until it is struck, the ball shall be above the level of the playing surface and behind the server's end line, and it shall not be hidden from the receiver by the server or his doubles partner or by anything they wear or carry.

2.6.5 As soon as the ball has been projected, the servers free arm and hand shall be removed from the area between the ball and the net.

2.6.6 It is the responsibility of the player to serve so that the umpire or the assistant umpire can be satisfied that he complies with the requirements for a good service.

2.6.6.1 If either the umpire or the assistant umpire is doubtful of the legality of a service he may, on the first occasion in a match, interrupt play and warn the server.

2.6.6.2 Any subsequent service of doubtful legality by him or his doubles partner will result in a point to the receiver.

2.6.6.3 Whenever there is a clear failure to comply with the requirements for a good service no warning shall be given and the receiver shall score a point

2.6.7 Exceptionally, the umpire may relax the requirements for a good service where he is satisfied that compliance is prevented by physical disability

2.7 THE RETURN

2.7.1 The ball, having been served or returned, shall be struck so that it passes over or around the net assembly and touches the opponent's court, either directly or after touching the net assembly.

2.8 THE ORDER OF PLAY

2.8.1 In singles, the server shall first make a service, the receiver shall then make a return and thereafter server and receiver alternately shall each make a return.

Rules of the North Middlesex Table Tennis League

2.8.2 In doubles, the server shall first make a service, the receiver shall then make a return, the partner of the server shall then make a return, the partner of the receiver shall then make a return and thereafter each player in turn in that sequence shall make a return.

2.8.3 When two players who are in wheelchairs due to a physical disability are a pair playing doubles, the server shall first make a service, the receiver shall then make a return, but thereafter either player of the disabled pair may make a return. However, no part of a player's wheelchair shall protrude beyond the imaginary extension of the centre line of the table. If it does, the umpire shall award the point to the opposing pair.

2.9 A LET

2.9.1 The rally shall be a let

2.9.1.1 if in service the ball, in passing over or around the net assembly, touches it, provided the service is otherwise correct or the ball is obstructed by the receiver or his partner;

2.9.1.2 if the service is delivered when the receiving player or pair is not ready, provided that neither the receiver nor his partner attempts to strike the ball;

2.9.1.3 if failure to make a service or a return or otherwise to comply with the Laws is due to a disturbance outside the control of the player;

2.9.1.4 if play is interrupted by the umpire or assistant umpire.

2.9.1.5 if the receiver is in a wheelchair due to a physical disability and the ball, provided the service is otherwise good,

2.9.1.5.1 Leaves the Receivers court after touching it in the direction of the net;

2.9.1.5.2 Comes to rest on the receivers court;

2.9.1.5.3 In singles leaves the receivers court touching by either of its sidelines.

2.9.2 Play may be interrupted

2.9.2.1 to correct an error in the order of serving, receiving or ends;

2.9.2.2 to introduce the expedite system;

2.9.2.3 to warn or penalise a player or adviser;

2.9.2.4 because the conditions of play are disturbed in a way which could affect the outcome of the rally.

2.10 A POINT

2.10.1 Unless the rally is a let, a player shall score a point

2.10.1.1 if his opponent fails to make a correct service;

2.10.1.2 if his opponent fails to make a correct return;

2.10.1.3 if, after he has made a service or a return, the ball touches anything other than the net assembly before being struck by his opponent;

2.10.1.4 if the ball passes over his court or beyond his end line without touching his court, after being struck by his opponent;

2.10.1.5 if his opponent obstructs the ball;

2.10.1.6 if his opponent strikes the ball twice successively;

2.10.1.7 if his opponent strikes the ball with a side of the racket blade whose surface does not comply with the requirements of 2.4.3 - 2.4.5;

2.10.1.8 if his opponent, or anything his opponent wears or carries, moves the playing surface;

2.10.1.9 if his opponent, or anything his opponent wears or carries, touches the net assembly;

Rules of the North Middlesex Table Tennis League

2.10.1.10 if his opponent's free hand touches the playing surface;

2.10.1.11 if a doubles opponent strikes the ball out of the sequence established by the first server and first receiver;

2.10.1.12 as provided under the expedite system ((2.15.2)).

2.11 A GAME

2.11.1 A game shall be won by the player or pair first scoring 11 points unless both players or pairs score 10 points, when the game shall be won by the first player or pair subsequently gaining a lead of 2 points.

2.12 A MATCH

2.12.1 A match shall consist of the best of any odd number of games.

2.13 THE ORDER OF SERVING, RECEIVING AND ENDS

2.13.1 The right to choose the initial order of serving, receiving and ends shall be decided by lot and the winner may choose to serve or to receive first or to start at a particular end.

2.13.2 When one player or pair has chosen to serve or to receive first or to start at a particular end, the other player or pair shall have the other choice.

2.13.3 After each 2 points have been scored the receiving player or pair shall become the serving player or pair and so on until the end of the game, unless both players or pairs score 10 points or the expedite system is in operation, when the sequences of serving and receiving shall be the same but each player shall serve for only 1 point in turn.

2.13.4 In each game of a doubles match, the pair having the right to serve first shall choose which of them will do so and in the first game of a match the receiving pair shall decide which of them will receive first; in subsequent games of the match, the first server having been chosen, the first receiver shall be the player who served to him in the preceding game.

2.13.5 In doubles, at each change of service the previous receiver shall become the server and the partner of the previous server shall become the receiver.

2.13.6 The player or pair serving first in a game shall receive first in the next game of the match and in the last possible game of a doubles match the pair due to receive next shall change their order of receiving when first one pair scores 5 points.

2.13.7 The player or pair starting at one end in a game shall start at the other end in the next game of the match and in the last possible game of a match the players or pairs shall change ends when first one player or pair scores 5 points.

2.14 OUT OF ORDER OF SERVING, RECEIVING OR ENDS

2.14.1 If a player serves or receives out of turn, play shall be interrupted by the umpire as soon as the error is discovered and shall resume with those players serving and receiving who should be server and receiver respectively at the score that has been reached, according to the sequence established at the beginning of the match and, in doubles, to the order of serving chosen by the pair having the right to serve first in the game during which the error is discovered.

Rules of the North Middlesex Table Tennis League

2.14.2 If the players have not changed ends when they should have done so, play shall be interrupted by the umpire as soon as the error is discovered and shall resume with the players at the ends at which they should be at the score that has been reached, according to the sequence established at the start of the match.

2.14.3 In any circumstances, all points scored before the discovery of an error shall be reckoned.

2.15 THE EXPEDITE SYSTEM

2.15.1 Except where both players or pairs have scored at least 9 points, the expedite system shall come into operation if a game is unfinished after 10 minutes' play or at any earlier time at the request of both players or pairs.

2.15.1.1 If the ball is in play when the time limit is reached, play shall be interrupted by the umpire and shall resume with service by the player who served in the rally that was interrupted.

2.15.1.2 If the ball is not in play when the time limit is reached, play shall resume with service by the player who received in the immediately preceding rally.

2.15.2 Thereafter, each player shall serve for 1 point in turn until the end of the game and if the receiving player or pair makes 13 returns the receiver shall score a point.

Inter-League Competitions 2011/12

Middlesex TTA Interleague

Russell Grant (Juniors)

We travelled to Twickenham with our team consisting of Arif Ahmet, Charlie Charalambous, Charlie Skeggs and Denise Payet, all from Ellenborough.

Our first match was against South-West Middlesex, which we lost 7 – 2. Better things were to come as we won both of our remaining fixtures, 8 -1 against Wembley & Harrow, and 5 – 4 against Staines.

Under modern day position calculating this would have given our team the runners-up spot, but Middlesex TTA haven't updated their rules for many years and still use an archaic points system. This meant that although we had beaten Staines, they were awarded second place and our team placed third.

ETTA National Interleague Finals

Bromfield Trophy (Junior Girls)

Jasmine Chan & Samantha Lai, both of Ellenborough represented the North Middlesex League on Sunday 17th June at Westfield Table Tennis Club, Wellingborough, Northamptonshire. Rosemary Luscombe and Georgina Lark represented the Aylesbury League

North Middlesex started well with Jasmine beating Rosemary in four games before Samantha increased the North Middlesex lead with a straight win over Georgina. Another win for North Middlesex in the doubles saw them clinch the title. Aylesbury prevented a whitewash when Georgina gained an excellent win for Aylesbury over Jasmine to bring the final result to 4 - 1.

Carter Cup (Junior Boys)

Armagan Huseyin, Ryan Williams, & Arif Ahmet represented NMTTL and finished a disappointing 6th place. This young and inexperienced team fought hard with some good individual results and all bodes well for next season.
