

**WEMBLEY & HARROW TABLE TENNIS LEAGUE**

**PROTOCOL FOR LEAGUE AND CUP MATCHES PLAYED AT THE TABLE TENNIS  
FACILITY AT WHITEFRIARS SCHOOL**

September 2018

## Golden rules

- Start the match promptly and vacate the premises no later than 10.30pm.
- All of the tables and barriers must be cleared away and all rubbish and bottles cleared from the hall and placed in the bins provided.
- The table tennis and School property and facilities must remain undamaged.

## Upon arrival

Please park in the school car park accessed off the Tudor Road entrance (see map on p.3). Turn left through the entrance doors and go through the canteen. Turn right at the end, go down a few steps and the sports hall is on your right.

## Timings

The hall is booked for table tennis between 7.30 and 10.30pm. All visitors must vacate the building by 10.30pm, i.e. matches must be finished by 10.15pm, the tables and barriers put away and rubbish placed in the bins by that time. Not doing so will risk the League being fined or even worse losing the booking.

## Matchplay

Your match should get underway promptly and delays due to excessive knocking up, chatting and not being ready to start the next set should be minimised. The Home team should be present at 7.30pm to set up the table with the Away team to also arrive at around this time. Matches should be underway by 7.45pm at the latest. The knock up before each game should be limited to no longer than two minutes.

Both the Home and Away teams are requested to make every effort to adapt to the circumstances by arriving promptly and starting the match in good time. The Management Committee will expect all players to enter into a spirit of positive collaboration and understanding so that all nine sets can be completed in the time available.

## Use of two tables

It may not be possible to complete a match in the given 2.75 hours. In which case, a second table may be used so that two sets can be played concurrently in order to save time. This arrangement should only be used out of necessity and not as a matter of course.

Please note that the use of two tables should **NOT** take place from the start of the match. The hall is shared between those playing League matches (one table per match) and those who have come to take part in the League's practice night session, for which they are paying a fee. Match players are requested to show consideration for other people using the facility and not to knock up on any table other than the one used for their match.

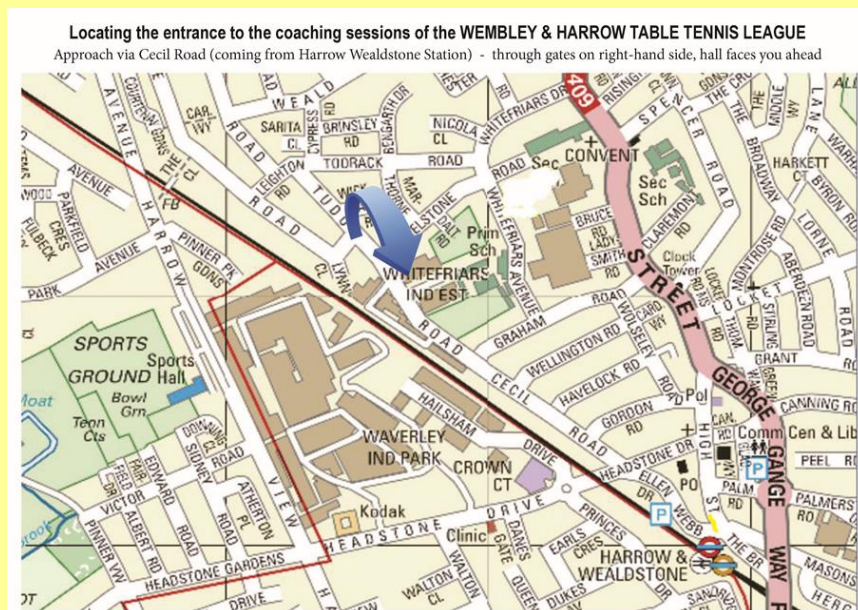

A second table for any match should only be used past **9.15pm** and with the prior consent of the League's practice night co-ordinator who will allocate an available table. Sets on a second table should be umpired by someone other than the players and the same make of ball should be used as on the primary match table.

If a match is running late, the home team is responsible for arranging to play the remainder of the games on two tables. If matches cannot be completed they will be adjudicated by the Records Secretary, with reference to the Management Committee where necessary, taking into consideration arrival times and any delays during or between matches. If the away side has made every effort to comply then they will be awarded the unfinished sets.

## Refreshments

The Home team is expected to provide refreshments for the players in a match. Food and drink may be consumed in the sports hall or the canteen but no facilities are available to reheat or prepare food or beverages. All rubbish must be placed in the bins provided.

## Practice night play 2018/19 winter season

Mondays: 7.30 – 10.15pm, £6 per session

Thursdays: when League or Cup matches are in progress, all tables not being used for matches can be used for practice from 7.30pm until 9.15pm, £4 per session.

Thursdays: when there are no League or Cup matches, 7.30 – 10.15pm, £6 per session

Players not involved in matches are requested to observe the following protocol:

- Please respect the fact that matches are in progress and try to minimise any disruption (e.g. from balls going over the barriers or excessive noise) to them.
- Please do not play on the tables reserved for matches at any time.
- On Mondays, at 9.15pm or thereabouts, tables may be required to assist matches running late to catch up by using two tables. Please be co-operative at this time – the matches will take precedence but the League's Co-ordinator for the evening will endeavour to facilitate the best arrangements for all concerned.

The League's Co-ordinator will have the final say and **ALL** players whether in matches or practice sessions are requested to follow his or her instructions.

## What'sApp group

A social media group has been established so that people interested in practice can keep updated with availability and notices. If you wish to join the group, please ask the League's Co-ordinator any night you are at Whitefriars.
