Regulations

1. Where appropriate for a Closed Tournament, ITTF Regulations for International Competitions 3.2 - 3.5 shall apply to this tournament. All matches will be the best of five games, and governed by the Laws of Table Tennis as adopted by TTE. Completion and submission of this Entry Form signifies agreement by the entrant to the conditions of the competition including variations from the ITTF requirements.

2. Singles events will commence on a group system where possible, subject to entries. Group positions will be decided by the number of matches won. If a tie occurs, games ratio, and then points ratio if necessary, will decide the positions. In both cases only matches between those concerned will be taken into account. Where groups are played, two players will progress to the knockout stage from each group. In the men's and ladies' singles non-qualifiers will progress to a mixed **consolation singles** event.

3. All entries, which must be accompanied by the correct entry fees, should be sent to the Entries Secretary to arrive by the Closing Date.

4. If it is necessary to restrict entries, this will be done on the basis of last received, first out. Events may be cancelled or merged if there are insufficient entries.

5. In the knockout stages, each losing competitor will be required to umpire one match in each event entered. This is a condition of entry to the Tournament and will be strictly enforced to ensure the smooth running of the event.

6. No player or official shall engage in betting on players or matches.

7. The Umpire's decision shall be final on points of fact, the Referee's decision final on points of law, and the Organising Committee's decision final on any other matter.

8. Players must report to the Control Table on arrival, and seek the permission of the Referee to leave the premises whilst still involved in any event.

9. **To be eligible for the Tournament, a player must be eligible to represent Wiltshire** (County Champs Reg. 11). [i.e. "must be **affiliated as a Player Member** and must either have been born in the County, or be residing in the County at the time of the match, or have represented the County on at least 6 occasions. Exceptionally, a player may represent a County adjoining his/her County of residence, if and only if, the player is not affiliated in any way with his/her County of residence."]
