PINEWOOD v CALDY - Final of the LONSDALE CUP

Played at N.B.C.C. Monday 26th March, 1979

The match commenced with the 2nd doubles Sue Alexander and Lynn Fennah (Pinewood) getting the better of Noel Fagan and John Cooper (Caldy) 21-17 in the third game after a set that could have easily gone the other way.

Phil Deeks and Neil Roberts then levelled the score by beating John Fennah and Trevor Barraclough (Pinewood) 21-17 in the third game after losing the first game to 9 and winning the second to 13. Sue Alexander then did her best to master the lethal chop of John Cooper, only losing 24-22 in the first game, but John then really began to control the ball and also managed a few forehand 'kills' on important points, winning to 13.

The game between Neil Roberts and Trevor Barraclough resulted in a win in the third game for Neil to 16. Trevor defended well especially in the first game, which he won to 16 but Neil's kill shots were just too lethal in the long run, despite the fact that he had some bad lapses.

Phil Deeks by dint of some excellent counter hitting on important points, managed to get the better of Alan Pickering in the third game to 12, Alan having won the first to 12 and Phil the second to 11, a very good match which had us on the edges of our seats.

Sue had a very good set against Noel, which she won to 13 and 16. Noel did not exhibit his usual control but Sue made it count on the important points.

Phil had his moments against John winning the first game 18, John then won the second 19 then producing immaculate control won the third game 8.

The last set of the evening saw Trevor having a surprisingly easy win over John Cooper to bring the score level at 5 sets all.

A very entertaining match for the spectators, played with the sportsmanship and spirit we expect from these two Clubs.

COACHING

It is nearly a year since our last A.G.M. when I accepted the office of Coaching Secretary. At that meeting a question as to what coaching and for whom it was available was asked. I think I can now give a far more complete answer.

First there is a great deal of coaching going on, but it is practically all for junior players.

A big reason for this is expense. At Byrne Avenue Baths, Bedford Drive and Thingwall we are able to run sessions at a reduced rate for juniors only. Sessions are held at West Kirby Sports Centre and Birkenhead Sports Centre, 20p for juniors and 40p adults, so adults can be catered for at these two venues and a few senior players take advantage of this.

Apart from the main venues above, coaching is being held for club members only at Mosslands S.C. School, Gautby Road P.C., Seacombe C.C., Pensby Road S.C. School and Caldy Club. Also Alan Timewell, Reg Bissell, Alf Hayes and Phil Deeks are coaching within their own Clubs.

So as I said before a lot of coaching goes on, approximately 100 young players being coached in Wirral, but let me assure you that there are a lot more not being coached who would like to be, as also would some seniors.

Under the present set up in Wirral we cannot cater for them, i.e. venues not enough, coaches not enough, or at least not enough willing to work. Finally the end product of all coaching leaves a lot to be desired, for a number of reasons. I say this after having a good look at the overall set up of the coaching that is taking place, and while the coaches involved are doing a great job in the circumstances, it may or may not surprise you to learn that only a handful of junior players that are being coached are playing League Table Tennis, and this I assure you is a tragic waste of an immense amount of young talent, to the extent that the Wirral League could have 8 Divisions or even 9. One answer to this problem is for Clubs to run more teams, yes I know the problems in this, but I am only looking for an answer to the waste of talent that is going on, and how many times during a season do you hear of teams that could have done with having more players? By running a Youth Team in a lower division this could be the answer.

The main answer to the problem is a venue, or our own H.Q. and there is a great need for this, not just for coaching but for

representative matches, cup matches, meetings and ranking sessions a centre where we could bring squads of players from all the coaching sessions together.

Most officials and coaches in Wirral agree with this, but it is up to the Clubs to back this idea, open every door that could lead to some such centre being bought, leased or hired. It is not impossible.

BEDFORD DRIVE COACHING SESSIONS

Commencing Thursday, 17th May a ten week session each Thursday will be held for junior players under 16 years only. Already most places are booked, but a few places remain, if you want to attend, let me have your names as soon as possible, but please note, we will be working a squad system, and it will be 2 hours of work from 7 p.m. - 9 p.m. so if you only want to play games please don't apply and deprive someone of a place who is willing to work.

Cost - £2.00 for the 10 week session

R.A.F.A. CUP FINAL

BIRKENHEAD Y.M.C.A. 6 - PORT SUNLIGHT 4

Although a betting man would have stacked the odds in favour of Y.M.C.A. for this R.A.F.A. Cup Final, previous results this season indicated that Port Sunlight, who rarely play their full strength side in League matches, had to be in with a chance.

The first four sets were shared, with Keith Wild pulling off a good win over YM's Reg Bissell, and John Potter having every reason to be disappointed in going down in the third game to Rob Bevan.

Y.M.C.A. then took three sets in a row, with Brian Fuller claiming two of them to go 5-2 up.

It was now up to Chris Hind to salvage something for Port Sunlight, but at one game down and 21-12 down, after some very sharp play by Rob Bevan, it looked all over. But Chris gritted his teeth, Bev played a few loose strokes and in next to no time Chris had levelled the set. Not surprisingly he coasted through the third game to bring the match score to 5-3.

Y.M.C.A. were not to be denied however, and Alf Hayes and Brian Fuller took the second doubles, after a few flutters in the YM camp, to put them on the honours board for the third consecutive season.

They then substituted ailing (or is it ageing?) Secretary, Reg Bissell in the final doubles with Sandra Hayes who combined well, but unsuccessfully with Rob Bevan, to leave the final match score at 6-4

Commiserations to Port Sunlight who missed John Brown, absent with 'flu. They never gave up the fight, and with a little luck could have forced a replay.

Thanks to the Calday Club, particularly Phil Deeks for providing the venue and refreshments. I hope he sold enough draw tickets to cover expenses.

Does the name Bill Blundell mean anything to you? No, well I'll tell you he plays for Caldy. What's so wonderful about that you may well ask. I hope that I am not giving any secrets away when I tell you that Bill retired a couple of weeks ago at the youthful age of 65, from work that is, not Table Tennis.

Bill commands a regular place in the Caldy second team on merit and still plays with the same sportsmanship, enthusiasm and competitiveness that he has shown during all his years in the game.

This small tribute to Bill is written in thanks for the contribution he has made to Club and League during that period by simply getting on with the game without fuss and yet with such obvious pleasure. May he continue to do so for many seasons to come.

What I have written about Bill Blundell can be equally applied in many respects to another Caldy colleague, Bill Baldwin. This second Bill has also recently retired from work. Many of the characteristics of Bill Blundell can be seen in Bill Baldwin as many of his opponents over the years will testify.

"Carry on with the good work Bill".

The Ellesmere Port T.T.L. plans to run a summer competition on a League basis for three-a-side teams which will be open to all Clubs in the Ellesmere Port, Wirral and Chester Leagues. Full details of this has been circulated to all Club Secretaries in the Wirral League.

NEWSLETTER OF THE WIRRAL TABLE TENNIS LEAGUE

MAY 1979

PINEWOOD v THORNDALE - FINAL OF THE MCNAUGHT BOWL

Played at the CIVIC Club Wednesday, 11th April 1979.

The match started well for Pinewood with Debbie McGuire winning the first set against Carol Lewis.

The second set was one of the highlights of the evening, with Mary Robinson (T) levelling the score and making up for her defeat in the Wirral Closed by beating Lynn Fennah (P) 24/22 in the third game after seeing a 20/16 lead disappear.

Ann Hepple restored Pinewood's lead with a win over Barbara Deady this set was followed by another three games with Debbie getting the better of Mary 23/21 thanks to some excellent serves and very good backhand returns.

Holding a 3 - 1 lead the Pinewood girls won the cup by taking the next three sets as Ann beat Carol and Lynn, playing superbly, beat Barbara and Carol conceding only 28 points in the four games.

The last two sets went to Thorndale, Mary narrowly beating Ann 22/20 in the third and Barbara beating Debbie 21/10 also in the third game.

Final result - PINEWOOD LADIES 6 THORNDALE LADIES 3

Prizes were presented to the finalists by F. Sorrentino of the Civic Club who watched this very entertaining match and wrote this brief report for the benefit of the fans who were locked out or couldn't get a ticket!

P.S. Thank you Franco and the Civic Club on behalf of the Ladies and the League.

S.W.

WILLMER BROTHERS team entertained newcomers to the League 'Board of Trade' at their home ground on the 23rd April, and would wish them a warm welcome to whichever division they find themselves in.

The evening was very entertaining with 5 players from each side playing each other making a total of 25 games. Some games were very close and no quarter was given by Willmers on the understanding that this was an exercise to find out the strength of the B of T side. The end result was a 15 - 10 victory for Willmers after playing for $3\frac{1}{2}$ hours, it was a very enjoyable evening for both teams.

Don't forget the A.G.M. of the League at the Seacombe Ferries Club as last year on MONDAY, 21st MAY 1979 at 7.30 p.m.

Once again the Wirral League were hosts to the CHESHIRE JUNIOR 1 Star tournament on Sunday, 22nd April.

This was held very successfully at the Oval Sports Centre this year.

Once again thanks to Brian, Norman and Sam for their very considerable efforts.

The J. S. BANKS Trophy was duly won by the young men of the CALDY CLUB narrowly beating the likewise young men of the PINWOOD CLUB 5 sets to 4 in a very close finish, so close indeed it seemed a pity one of them had to lose, but must congratulate CALDY for removing this trophy from its last resting place at P.S.B.C. where it has reposed for the last five years or so.

Thanks to Mrs. Haigh and the Gautby Road people for your hospitality and interest.

The season is very nearly over and it does leave behind traces here and there of unfinished business. Like a few scorecards that seem to have gone astray, if the sight of the league tables prick your conscience, please give me a ring.

You will notice that the 3rd division is far from complete, this is due to the failure of a certain team not sending in all but 2 of their home fixture cards, they have been asked on more than one occasion to do this, I can do no more, I am fed up and disgusted with them.

S.W.

Congratulations to UPTON VICTORY HALL on winning the first division championship, pipping PINEWOOD to the post who in their turn had CALDY breathing down their necks.

A full list of players individual averages for the season will be available at the A.G.M. - Monday, 21st May, 1979.

WIRRAL HARD BAT TOURNAMENT

Number 10 seed Dave Roberts came back from the dead to beat top seed Trevor Manning in a thrilling finish 24 - 22 in the third set to pick up the £20 first prize and become undisputed "top hard bat man on Merseyside." All looked lost for Dave when he trailed 19 - 14 in the final set but a shout from the audience of "keep thinking of the money Dave" seemed to inspire the Hoylake Y.M. player when at the very brink of defeat. Well done, champ!

The competition started off with few upsets predictably yours truly (15) being the only seed who failed to qualify from the groups - Well done Ted and Peter.

In the first round proper, Clive Strettle (14) was beaten by Phil Birchall (-), Joe Watts (11) lost to Wayne Percival (5), Brian Crolley (6) lost to Gordon Exell (2) and Peter Greenshields (-) recorded a good win over Brian Davey (-).

In the second round Trevor Manning (1) beat Phil Birchall, Keith Williams (8) beat Greg Powell (13), Wayne Percival beat Phil Thomson (12), John Marshall (3) beat Peter Greenshields, Ronnie Rumjahn (16) beat Jack Evans (4), Fred Pheysey (9) beat Ian Johns (7)

Mick Tierney (-) beat Malcolm McEvoy (-) and Dave Roberts (10) beat Gordon Exell (2) in a cracker.

In the quarter finals Manning beat Williams, Percival beat Marshall, Rumjahn beat Pheysey and Roberts beat Tierney.

In the semi-final Manning beat Percival and Roberts beat Rumjahn.

Ex England international Ronnie Rumjahn was the revelation of the tournament only losing closely in three sets to Dave in the semi-final. This exception apart the "boys with the bats" (Wirral Horn Feb. 1979 refers) dominated the singles k.o. event.

In the consolation event the "Hard batters" dominated proceedings, Bill Lowe (cf Bill Lowe Shield fame) beating Harry Deers (Merseyside Fire Brigade) in the final - again deuce in the third - Phew! In reaching the final Bill beat Mabel Neary, Bill Blundell and Don Davies; and Harry beat Paul Wilson, me and Brian Carter.

Trevor Manning won the raffle (Table Tennis shirt) and Dave Roberts, Ted Wilson and Mabel Neary the lottery.

The doubles event was sadly cancelled due to lack of time and the prize money has been held over to next year's competition.

I would like to take this opportunity to thank those who helped especially Brian Leeson, Norman Berry, Joan Hepple and Janet Timewell on the night and those committee members who gave up Friday evening, Saturday afternoon and Monday evening to help Fred Hepple table-humping.
