## NEWSLETTER OF THE WIRRAL TABLE TENNIS LEAGUE

FEBRUARY 1980.

This months issue is notable, because for the first time it will be an entirely home produced affair, in more ways than one. The committee in its infinite wisdom has allowed me to purchase this typewriter to enable me to make stencils suitable to run off copies without relying on outside help. This will in the long run save us money in typing fees, in the short run you will have to put up with my very amateurish two fingered typing, I must admit I have a lot to learn but have patience I might get better, J's thought for the month is I would take that machine back it can't spell and it's punctuation is atrocious.

For your information this newsletter is available on the first Monday of the month, so all Clubs should receive thier copies during that week, if you dont please let me know.

WIRRAL 'A' V HYDE

Held at Port Sunlight on 11th. Jan.

A little tenseness and trepidation was present during this match, because it was apparent that if things went to form, the winners would be promoted along with Crewe, who were undefeated.

Phil Luxon, Trevor Barraclough & Malcolm McEvoy rose to the occasion with a splendid 7 - 3 victory, making the teams future very rosy.

Although a minor infringement of the Service rules threatened to upset the decorum, the match was played with a certain aplomb and panache that showed the two teams intentions.

For the record Phil won all his three games, Trevor and Malcolm two each.

With only two matches remaining against both the relegation candidates promotion in my opinion is now a certainty.

F.R.Irwin.

The Bill Lowe shield competition has now reached the last 16 stage, or to be more precise at time of writing the last 21. Please take care when doing your arithmetic, as about 25% of scorecards received are found to be wrongly added up when checked, fortunately an instance of the 'wrong' team winning has not yet occurred - but its only a matter of time. Its even more suprising when you consider that both Captains sign the sheet! For the record the biggest error so far has been 56!! 10 being quite common. Also for the record 4 matches have resulted in draws.

#### WILMOT CUP

Having disposed of Salford (Wetherby, Wetherby & Clements) by 5 games to 2 Manning 3. Roberts 1. Exell 1. and Liverpool (Thomas, Marshall & Percival) also 5 - 2 Manning 2. Roberts 2. Exell 1. Wirrals best ever Wilmot Cup run came to an abrupt halt on the 30th. Jan when they lost in the last 32 of the national competition to Manchester (Boasman, Bowen & Hankey) by 5 - 0.

Dave Roberts came closest to upsetting the favourites when he led Tony Boasman 20 - 15 only to lose 23 - 21 won the second 21 - 12 & after being 10 all in the third lost 21 - 13. Alan Timewell then got 18 off Phill Bowen (both games added together) before Trevor Manning lost a cracker to Mark Hankey 17 in the third,

The most exiting match of the night followed when Dave lost to Phil 10 - 21, 21 - 14, 22 - 24. Tony then beat Trevor 15 & 11 in a match that was closer than the score suggests.

## NEWSLETTER OF THE WIRRAL TABLE TENNIS LEAGUE

MARCH 1980.

### THE WIRRAL CLOSED 1980

This was held (for the sake of the members who did not take part or visit us ) at the Sports Centre Birkenhead, It did ones heart good to see the main hall with 14 tables going at full steam from 12 noon to 8 pm, when the main finals where played off to round up a very successful day, nice to see so many stop to see the culmination of the days efforts, well worth-while I think all would agree.

I must mention Sam and Norman for their considerable efforts in arranging the day, we are getting so familiar with our smooth - running tournaments we must not forget the work that goes in to arranging the man details that all add up to making a tournament like this so successful.

It is also good to see many old friends who turn up each year to renew acquaintances and tell us about former years ( in the good old days before these automatic bats ).

Thanks also to the pleasant young ladies who sold enough raffle tickets to put us just on the right side financially.

By all accounts the entry was very good, certainly the best I can remember, with 86 men playing of the groups before the 8 'seeds' where introduced in the first round proper. The winners of the groups where:- Messrs Peacock, Hughes(A), Howells, Wright (S), Bowen, Heskin, Lloyd A, Berry (N), Walton, R Jones (Neston), Eichelsheim, Wilson (Lucky Ted), Pickering, Collister, Roberts (S), Wilkinson (N), Rowlands, Birchall, Hinds, Harland, Currie, Oldfield, Williams (R), and Postance.

The first casualty of the seeds was Alan (the chair ) Timewell falling to Alan Pickering in the first round, in the second round the line up was beginning to look very familiar with John Fennah, Steve Davies, Malc McEvoy, Gord Exell, Steve Roberts (who was playing very wellhaving to beat Don Collister, and Alan Pickering to reach round 3) Phil Luxon, Rob Bevan, & Dave Roberts going forward.

By the time round three came around John had a very determined glint in his eye, and reached the semis by beating Steve, Malc, got the better of former champ Gordon, Phil eventually seeing off a very gallant Steve Roberts, likewise former 3 times winner Dave seeing off young Rob Bevan (time is on his side).

After the semis we wwre left with John & Dave to fight it out once again,only with a differance this time, John seemed to shed the nervousness he has had on previous occasions and after a close first game which he won game 19 really turned on the pressure and won the second game 12, a much deserved win for John after being so near other years.

In the 2nd. Div. Singles Messrs Irwin & Collister fought it out in the final with Frank coming out the winner.

The 3rd. Div. final was between Ron Jones (Ald) & K Walton (WLT) with Mr Walton winning 15 & 17.

The final of the 4th. Div. was a real battle between D Harland (MFB) & Bryn (the push)Halliday who eventually pushed mr Harland off.

Birkenhead Y.M. had Div. 5 sewn up with Messrs Patton & Fessey fighting it out, Mr Patton winning game 13 in the 3rd.

Another 3 game set decided the 6th. Div. between J Pemberton (WLT) & M Hare (UVH) with Pemberton winning 19 in the 3rd.

Division 7 was won by Steve Roberts (FIL) by ousting M Platt inthe 3 game final.

The Ladies title again went to the Fennah family in the shape

of Lynn, who took it by beating Anne Hepple in the final, nice to see a few new young faces in the Ladies section.

Anne Hepple & Debbie McGuire had a little of their own back by winning the Ladies Doubles, Anne & Debbie having to play very well to beat Joan & Lynn in the final.

The junior Girls, I think we must admit we weren't surprised at Lynn taking it, never mind Girls, Lynn will grow up one day & give you a chance

The junior Boy's singles was fought out between Rob Bevan & Steve Davies, some future opposition for the men here. Steve winning the title by duece in the second game.

The Veterans title was won again by Gordon Exell (he had a bit of trouble getting rid of Peter Greenshields in the final) Peter having an attack of the 'Cramps' near the end of the 3rd. game, but eventually succumbing to Gordons backhand. The Mens doubles champs were once again John & Gordon, Coming out winners over Alan & Phil they had seen off Dave Roberts & Malc McEvoy in the semis, Steve Roberts & Alan Pickering putting up a fair fight against John & Gordon in the other semi, so all in all a real family night for the Fennah's.
