LOMBROUGH POOL -v- THORSDALE

CONGRATULATIONS - To the Wirral Representative team for playing themselves into the Semi-Final of the Norman Cooke Memorial Trophy by beating the Blackpool Team 5 sets to 1 on Friday 30th December

held a consistently successful side as this is, they are worthy of a lot more support from the League, the standard of play in these matches is very high and the visiting players seem to draw the best out of the team. I think it is a pity other players in the League can't come along and see for themselves.
