LONSDALE CUP SEMI - FINAL.

PINEWOOD V HOYLAKES Y.M.C.A.

| 1) LYNNE FENNAH       | 1) TED WILSON     |
| 2) ALAN PICKERING     | 2) DAVE ROBERTS   |
| 3) JOHN FENNAH        | 3) MOLCOLM McEVOY |
| 4) TREVOR BARRACLOUGH | 4) PHIL LUXON     |

Hoylake opened up the match with the first doubles hoping for an early lead, but John & Trevor proved Dave & Mal wrong & took the closely contested game 21/19 in the third. The second game was a repeat of the Wirral Closed final John this winning it quite easily two straight.

With Pinewood 2-0 up Mal went on to play Alan, Mal always looked like winning but only after a few very good points did he complete it, there was one interesting point where Alan hit the ball about 3 ft. off the table & Mal volleyed it presumably trying to catch it, the point was awarded against him but it did not put him off his rhythm.

John hoping to win the match alone, put himself on against Phil, he completed his trio of wins by dominating the game as he had done against Dave, it contained some interesting rallies but most went John's way. Next on were the two number ones Lynne & Ted Lynne dominated this game and won it convincingly putting Pinewood in what looked like a commanding 4 - 1 lead.

Mal's second singles against Trevor was quite a crunch set, the game consisted mostly of pushing and waiting for an opening to attack, with Trevor attempting to keep the ball away from Mal's forehand the game became very nailbiting. Even though Mal won in two 24/22 21/18 it was a great game to watch. Dave's final singles against Lynne went in Hoylake's favour again with Lynne unlucky to lose the second game, with Pinewood now only 4 - 3 up they needed another win so they called on Alan & Ted they were in for a surprise because Ted played above himself to win the first game Alan came back to win the second, Ted was 20 - 15 up in the third & only managed to win it 19 in the third.

With the match at four sets all Phil played Trevor. Trevor won the first game 17 & with the second at 22/21 against Phil, Trevor hit the edge & it was amazingly retrieved by Phil who went on to win 24/22

He lost the third 13 but not easily, so it was 5 - 4 to Pinewood and the second doubles to play, Lynne & Alan won this quite easily to put Pinewood in the final against Upton V.H.

Chief umpire and tea maker on the night was Norman Berry ( not a bad brew ) and there were quite a few watching. PW.

LONSDALE CUP FINAL Pt SUNLIGHT LYCEUM 26th March 1980.

PINEWOOD V UPTON V.H.

The much awaited match between the two leading competitors for the first division league championship got off to a cracking start that proved to be the standard for the whole evening.

The first game between Alan Timewell (Upton) and Trevor Barraclough resulted in a very long and exiting set, how the umpire wished he had brought an alarm clock with him.... both players adopted the defensive game with Alan introducing occasional bursts of hitting to great effect to win 22/20 20/22 & 21/17.

SCORE 1 - 0 to Upton.

Alan Pickering (pinewood) then levelled the match with a fairly comfortable win over Alan Currie winning 21/8 21/18.

SCORE 1 - 1.

The next set provided a feminine touch with the Wirral Ladies champion Lynne Fennah (pinewood) playing Gordon Atwell. Gordon after winning a very close fought first game 22/20 won the second quite easily 21/7 with deliberate top-spin against Lynne's quick hitting.

SCORE 2 - 1 to Upton.

In the fourth set the Wirral champion John Fennah (Pinewood) came up against a very determined Alan Timewell, the admiral display of Alan's defensive game reduced John to adopt a somewhat unusual pushing game intermingled with occasional hitting. John won the first 21/17 and Alan was extremely unlucky to lose the second 20/22.

SCORE 2 - 2.

After this very close fought set Gordon Exell (Upton) and Trevor entered the arena to contest the fifth game, again a very defensive attitude was taken by both players with Gordon showing how effective his backhand smash is down both wings to run out the winner in the first game 22/20. However Trevor maintained his consistent game whilst Gordon found the pressure too much to be able to reproduce his smashes and Trevor won the next two games 15 & 10.

SCORE 3 - 2 to Pinewood.

Pinewood now having the lead for the first time decided to press home their advantage by calling on Alan Currie to play John, as

expected John ran out an easy winner 8 & 13.

SCORE 4 - 2 to Pinewood.

At this stage a very worried Alan Timewell decided to ask Alan Pickering to play Gordon Atwell who again produced a very controlled display of hitting and defence when necessary, winning 12 in the first game. In the second Alan changed his game hitting consistently to go 19/16<sub>1</sub> onlt to see Gordon steal the game 21/19.

SCORE 4 - 3 Pinewood.

In the first doubles the two Gordons got the better of John & trevorin two straight games 15 & 17 by their efforts in a tight all round game combined with crucial kills at the right moment.

SCORE 4 - 4.

At this stage both teams were very concious that the match may well result in a draw with sets and points playing an important part. Sets were even whilst Pinewood had the advantage of 17 points.

Upton's captain then called what proved to be the most crucial set in the match. Gordon Exell proved that careful defence coupled with a need to lose as few points as possible had an easy win over Lynne 6 & 2.

SCORE 5 - 4 to Upton 17 points advantage to Upton.

With the last set being critical to both sides tension on the players was apparent, the two Alans (Upton ) beat Alan & Lynne in straight sets 16 & 9 to win the match and the Lonsdale Cup for Upton.

All the players are to be congratulated for a very high standard of play sportmanship and spirit that evident, keeping the spectators on the edges of their seats throughout the match.

Only one thing possibly marred the match, Upton being the only team in the semi - finals to play in their correct order of ability, decided to change their order whilst Pinewood reverted to their correct order of ability. If both teams had 'played the game' who would have won ?

The oppotunity to correct this changing the order of play will present itself at the A.G.M. An ammendment is being proposed to insist teams play in ranked position in the singles and that 1 & 2s play 1 & 2s and 3 & 4s play 3 & 4s.

Worth considering ???

NEWSLETTER OF THE WIRRAL TABLE TENNIS LEAGUE

MAY 1980.

This issue will of course be the last for this season, so therefore it will be mainly facts and figures, I realise at this time of the year table tennis teams are usually in recess for the summer months, so it is up to the individual club secretaries to distribute the newsletters, so to those worthy individuals a plea.... please try to circulate them to your members even if it does mean investing in a few postage stamps, a sight of the final league tables and personal averages is the least your members can expect after a season of playing. Registration forms for next season will be sent out during July addressed to the club secretaries holding the office for season 79-80 if there is any change please notify the league secretary.

-----  
Item from the E.T.T.A. Bulletin.

'Our table hire scheme continues to operate whereby affiliated clubs can obtain a top-class table by paying four annual instalments of £35 (plus V.A.T at the current rate - 15% ) and a peppercorn rent of 5p per annum thereafter. Full details can be obtained from the E.T.T.A. office.'

### WIRRAL REPRESENTATIVE TEAMS.

All our teams have had a fair season of competition in the Lancashire & Cheshire league, I would like to thank on behalf of the league Dennis Smith and the officials of the league for the admirable way the competitions connected with the Lanc & Chesh are run,

Our second team as you will see by the table were very unlucky not to have gained promotion to the second division, only missing out by one set, our junior team did well coming second in their division.

The Wirral Ladies team has had a fair season in the second division the six ladies registered have all played and enjoyed their games, the final results are as shown above.

We were very sorry to lose Lynne this year, but it is understandable she should wish to stay in the first division, hope you enjoyed your first season playing for Liverpool Lynne.

I want to take this opportunity to thank the CIVIC club especially Mr F Sorrentino for allowing us to play our home matches at their club providing excellent conditions and hospitality, also for supporting us along with other members of the Civic club at the matches,

Thanks again Frank.

J Hepple.

Congratulations must be given to the PINEWOOD club, in what must be their best season ever in the Wirral league, having won the first division, followed this up by having their third team win the second in fairly convincing style,

The icing on the cake was finally winning the R.A.F.A. cup with their third team again, In a very keenly fought final, wresting the Trophy away from Frank Irwin & Co at Wallasey R.U.F.C. Well done.

We have watched the rise of the Wallasey club through the divisions this last few years, they will have to be very careful or they will find themselves in the premier division, they would be a welcome new name if they achieve this.

The final of the BILL LOWE SHIELD competition was held at the Beaufort club under the eagle eye of the man himself who was present to hand the shield to the eventual winners ALDERLEY 3,

Once again as in so many of this competitions results this year it was all on the last game of the night, but the law had left themselves just too much to do and went down to the lads of Alderley by a very few points, congratulations to both teams for a enjoyable and competitive evening,

Thanks to the Beaufort club and Alan Currie for their hospitality

A quick word of thanks also to Alan (the chair) for his considerable efforts in arranging this handicap event.

Well i'm signing off now for this season, now the light nights have come most of us find more outside interests that take our time , have a good summer , have a good holiday and see you all next season.
