They are also open to junior players who are not registered in a League. Any such player must have his/her entry endorsed by a coach, teacher, League official or person of similar standing.

- 5 Every player must wear regulation dress, that is, a coloured shirt (not white) with shorts or skirt.
- 6 All events will be 11-up, best of five games.
- 7 In singles, players will be divided into groups and will play all the others in their group. The final ranking order of players in the group will be determined using ITTF regulation 3.7.5. One or more players from each group will go through to the knock-out competition, unless the entry for the event is so small that the event is run as a round-robin.
- 8 Play will be under the Laws of Table Tennis as approved by ETTA for the current season. You must play with a racket covering that is of a brand and type currently authorised by ITTF. You are permitted to towel down after every 6 points from the start of a game and at the change of ends in the fifth game of a match. You may not change your racket during a match unless it is accidentally damaged so badly that it cannot be used. A player or pair may claim one time-out period of up to 1 minute during a match.

If you enter these Championships but are unable to attend, please tell the Organiser as soon as possible.

By entering these Championships, you are agreeing to allow your photograph to be taken at the event. Tell the Organiser if you do NOT want to allow this.
