New Teams

We would like to extend a special welcome to all the new teams joining the league this season and hope they have a very enjoyable season.

Matches should commence by 7.30pm or by 7.00pm if playing a junior or any team from the Yeovil Table Tennis Club and will be played to the best of 5 games up to 11 points. Should 10-all be reached, each player will serve alternately until 2 clear points have been gained.

The above system will also be adopted for the One-day Tournament and all cup matches with the exception of the Handicap Cup.

It is the home team captain's responsibility to ensure that the completed score card is sent to the match secretary, or emails are now accepted re A4 pdf file to: johnferdi47@outlook.com (see reverse of score card) as soon as possible after the match. See also notes on following page re match postponements.

Please note

A complete up-to-date copy of the League's Rules & Regulations can be found at the back of this handbook.

They can also be viewed or downloaded from our website at:- www.tabletennis365.com/Yeovil

Please support the advertisers in this handbook with your custom whenever possible and mention the handbook by name.
This will help to show that their advertising is working and hopefully ensure their continued support.

LATE REGISTRATIONS

3 matches or less played, £1 per game per guest player. Should a 4th match be played then the balance of fee becomes due.
If any guest player(s) fees are not paid by the last date as identified in the handbook as outstanding fixtures, any points accrued by said guest player(s) shall be forfeited.

GUEST PLAYER

(New Regulation 4b)

Once a guest player not registered with a team has played a game for a team in the league he/she cannot then make a guest appearance for another team.

PLAYING UP

(New Regulation 6c)

For league matches only, a player can "play up" in higher divisions on a maximum of three occasions. This can be for the same team or up to three different teams than they are currently registered. On playing up for the fourth occasion that player is then registered with that team he/she last played for and therefore ineligible to play for any other team.

POSTPONEMENT OF MATCHES

(New Regulation 11a and 11b)

In the event of a postponement, responsibility for re-arranging the match will rest with the team that forfeited the original fixture. The team captain who postponed the match shall offer a choice of acceptable alternative dates at the earliest opportunity. Both team captains shall send in a new Postponement Card to the Match Secretary as soon as the match has been postponed. Any matches postponed before 1st December must be played by 31st January, matches postponed during or after 1st December must be played by 30th April. If a match is postponed and not re-arranged and played within the above time frames other than for reasons of weather or venue issues, the team which caused the match to be postponed shall be deducted 10 points. The postponed match should be re-arranged to be played at a later date and points won will count for both teams.

TEAM KNOCKOUT COMPETITIONS

(See page 28)

HANDICAP COMPETITIONS

A minimum of three League matches must have been played by anyone wishing to enter the Handicap Competitions during the season.

ALL COMPETITIONS

Players are to have been registered prior to playing in any competition

10. SPECIAL GENERAL MEETING

A Special General Meeting (SGM) of the Association shall be convened on a resolution of the Committee or within four weeks of receipt by the Secretary of a resolution or rule change signed by the authorised representatives of at least 25 per cent of the affiliated teams. At all SGMs voting power shall be one vote per affiliated member present. The Chairman shall be entitled to a casting vote in the case of an equality of votes. No person may vote by proxy. All resolutions shall be decided on a simple majority of those present and voting. An SGM shall have the same power of control of the Association as the AGM.

11. DISSOLUTION OF ASSOCIATION

If, upon the winding-up or dissolution of the Association, by resolution at an AGM or SGM, there remain after the satisfaction of all debts and liabilities and properties or monies whatsoever, these shall not be paid or distributed among members of the Association, but shall be given or transferred to some other institution or institutions having objects similar to the objects of the Association. This disbursement shall be determined by the members of the Association at or before the time of the dissolution.

12. ALTERATION OF RULES

No addition to, or alteration or recession of the Rules shall be effected unless at the AGM or at an SGM convened for that purpose - see Rule 9(a) and 10.

13. GENERAL

In the event of any questions or matters arising which are not provided for in the foregoing Rules, such questions or matters shall be dealt with by the Committee, subject to confirmation at an AGM or SGM convened for the purpose, whose decision shall be final.

1. Any club affiliated to the Yeovil and District Table Tennis Association shall be eligible to compete in the League.
2. (a) The number of teams in each division shall be 12, where the entries received enable this to be so. If entries do not permit this, then the Committee has the power to determine the structure of the divisions.
(b) Team registration forms shall be forwarded to the Match Secretary and be received by them on or before the date stipulated on the said form. The closing date for team registration shall be determined by the committee.
(c) Any team that has not paid its team registration fees by 30 September shall be deemed to be no longer a member of the Association and all of that team's fixtures shall become null and void.
3. Ten matches shall constitute a fixture between two teams. Nine singles matches and one doubles match shall be played, when three players of one team shall play three players of the other team once only; and any two players of one team shall play any two players of the other team. These matches must be scored in accordance with the current TTE Approved Laws of Table Tennis. A point will be awarded for every game won.
4. (a) No player shall be eligible to play until his or her registration form and fee have been sent to the treasurer, except as under Association Rule 5(b), in which the current predetermined fee shall be £1. If any guest player(s) fees are not paid by the date identified in the handbook as outstanding fixtures, any points accrued by said guest player(s) shall be forfeited.
(b) Once a guest player not yet registered with a team has played a game for a team in the league he/she can not then make a guest appearance for another team.
5. (a) After 31 January of the current season, no new registrations or transfers of players can be accepted without Committee approval.
(b) Transfers before 31 January must be accompanied either by
(i) written approval from the secretary or team captain of the original club or team, or
(ii) a written request from a player having missed three consecutive matches for the team for which he or she was originally registered.
6. (a) Clubs having more than one team shall register distinct teams before any matches are played.
(b) Unless at the discretion of the Committee, no player may assist another team in the same division or in a lower division other than the team for which he or she was originally registered.
(c) For league matches only, a player can "play up" in higher divisions to a maximum of three occasions. This can be for the same team or up to three different teams, than they are currently registered. On playing up for the fourth occasion that player is then registered with that team he/she last played for and therefore ineligible to play for any other team.
(d) In exceptional circumstances, a team may apply to the Committee for an extension to the number of games a reserve may play.
7. Any team playing an ineligible player shall forfeit the games won by that player.
8. Clubs must provide adequate space and lighting facilities. Should objections to the playing conditions be raised by the visiting team, the match must be played and the matter brought to the notice of the Committee.
9. Should a team retire from the League for any reason during the season, no money shall be returned. All matches played by the team shall be null and void.
10. (a) Teams shall play a minimum of one home and away fixture against each of the other teams in the same division. When entries enable this to be so, the home team shall have the choice of date. As far as possible, each team's home night will be published in the Association Handbook, in which case no further confirmation of the fixture will be necessary. Where, however, this is not possible, the secretary of the home team shall give at least 7 days clear notice to the opponents.

- (b) Should, during a season, a team find it necessary to change its home night for the remainder of the season, it must immediately notify the Match Secretary and the secretaries of all teams affected by the change.
 - (c) At the end of the season the top two teams in division 2 and 3 shall be promoted, and the two lowest teams in all but the lowest division shall be relegated. Should a team not re-enter, the Committee is empowered to appoint a new team of known ability, but if no such team arises the third team in the next lower division will be promoted. A team in a promotion place in all lower divisions may elect not to be promoted, so the team that finishes in the higher relegation position will not be relegated, but if that same team the following year is in a promotion place, then promotion will be automatic. In the event of a tie, promotion or relegation shall be decided by points difference or, if still undecided, by the team winning the most matches. If a conclusion is still not reached, then a play-off (singles only) at a neutral venue shall be played to decide the issue.
11. (a) Rearrangement or postponement of any league or cup matches shall be limited to extenuating circumstances only.
 - (b) In the event of a postponement, responsibility for re-arranging the match will rest with the team that forfeited the original fixture. The team captain who postponed the match shall offer a choice of acceptable alternatives at the earliest opportunity. Both team captain's shall send in a new Postponement Card to the Match Secretary as soon as the match has been postponed. Any matches postponed before 1st December must be played by 31st January; matches postponed during or after 1st December must be played by 30th April. If a match is postponed and not re-arranged and played within the above time frames other than for reasons of weather or venue issues, the team which caused the match to be postponed shall be deducted 10 points. The postponed match should be re-arranged to be played at a later date and points won will count for both teams.
 - (c) Any team failing to arrive for a match will forfeit all points and the points will be claimed by the team attending (using the match card to submit the result), unless a written explanation is sent within two weeks of the fixture date to the Committee, which may overrule.
 - (d) Match results, on an official scorecard, signed by both captains, are the responsibility of the home team captain and must reach the Match Secretary no later than the Wednesday morning of the week following the game.
 - (e) All match scorecards must reach the Match Secretary within two weeks of the final week allotted for outstanding matches in the League Handbook. Any results received after this period will be null and void.
12. All matches should start no later than 7.30pm. In the event of a player or players not being available to play by 8.45pm, their game shall be forfeited.
 13. All protests and disputes must be submitted in writing to the Secretary. Once a match, whether League or Cup, has been started it must be completed. No protest relating to a match will be considered unless it is received by the Secretary within seven days of the match. A team or club about whom a complaint is received shall have the right of representation when the case is considered. No club or individual shall vote at any meeting or any protest or dispute concerning themselves or their club.
 14. Should any questions or disputes arise which are not covered by League Regulations, they shall be decided by the Executive Committee.

2. All players must have fully paid and registered with the League and have played at least four league matches prior to the closing date of entry to the tournament.
3. Entries for all competitions must be received by the closing date to be fixed by the Committee. 6. The Committee has the discretion to make a final decision regarding Regulations 2 to 5 above.

Team Knock-Out Cup and Handicap Competitions

1. All team knock-out (Scratch Cup) competitions, including open and restricted divisional competitions, shall be played in strict accordance with the TTE Approved Laws of Table Tennis. All players playing in cup competitions must be registered with a team in the Yeovil and District League and can only play for that team, with which they are registered.
2. Draws for all competitions shall be made in the presence of at least four Committee members. The first entry drawn in each pair shall be regarded as the home team. Particulars of the draw shall be published by the Secretary at least 20 days before the competition, if possible.
3. In all team competitions, the match shall be played on the home team's normal home night. In the event this is not acceptable to either team, equal responsibility for rearranging the match will rest with both teams. Scorecards must be forwarded to the Match Secretary within three days of the match having been played. Where appropriate, a neutral venue shall be sought by the Committee for finals of cup competitions.
4. All team knockout competition matches must be played within the allocated week or before the week of the next round, or be forfeited by the team which could not fulfil the original fixture date.
5. Scratch Cup competitions shall be run, consisting of 9 singles, all to the best of 5 games up to 11 points: in the event of a game reaching 10-10, the service will alternate after each point and the winner will be the first person to get 2 clear points. No doubles will be played. Scoring counts on matches won, not on individual games.
6. The Team Knock-out Handicap Competitions shall consist of 9 singles, of 4 games up to 11 points (no deuces) from 0-0. No doubles will be played. The total points scored by each player for each team shall be added together, plus the individual handicaps of each team member, to determine the total points scored. In the event of a tie, the team with the highest accumulative handicap shall proceed to the next round.
7. Individual handicaps shall be at the discretion of the Match Secretary. After the handicap has been fixed for individual team members, each player shall keep that handicap for successive rounds.
8. A minimum of three league matches must have been played by anyone wishing to enter the handicap competitions during the season.
9. An American Individual Handicap Competition may be run during a week allocated by the Committee. Matches shall consist of 4 games up to 11 points, no deuces. Entry will be on a voluntary basis.
10. Should any questions or disputes arise regarding any of the team knock-out and handicap cup competitions, which are not covered by these Regulations, they shall be decided by the Committee.
