Chairman's Notes

Welcome to the 2017/18 Table Tennis Season and as usual I hope that everyone will enjoy the competition and meet with success on the table.

Don't forget to renew your Table Tennis England registration either by phone on 01908 208898 or via the website:

<https://tabletennisengland.co.uk/play/membership/player-membership/>

The Table Tennis England mandate that if a player has no number then the games played by that individual are null and void. Our match card entry system will reject players scores if they haven't updated their registrations by the time they play in a match so please ensure that you have renewed your subscription before you play.

Our web site at <http://www.tabletennis365.com/barnets> continues to be a great help in running the league and is a great success in disseminating information on the latest team positions, players' averages, and newly introduced during the 2016/7 season, players' rankings, but it can only work optimally if team captains ensure that they scan and email the results to their Divisional Secretaries as soon as they can and certainly within the 2 day deadline. Additionally, and to avoid any possible confusion, the only place that the fixtures will be viewable will be on the website so please visit the relevant page to ensure you have the latest information.

Divisional secretaries can change fixture dates on the Website so will post any changes due to postponements or rescheduled matches directly. Please ensure that you advise them of any such changes as soon as you know as this will ensure that things are always up to date. See rule 31b regarding postponements.

Our main communication method these days is via email so please ensure that your email details are up to date on the Table Tennis England database and this will ensure that you do not miss any important announcements.

For the 2018/19 season it is the intention to add another Division due to the fixture lists becoming very congested and to allow more teams to join the League. See the website for details of the migration path from our current 4 to 5 Divisions.

It is pleasing to report that the league is still growing and, this season, will have 49 teams over the four Divisions.

Do have a good season.

Keith Spaughton
Chairman

28. No time-outs are allowed in the League.
29. Coaching a player may only take place between games, and not during a game, to a maximum duration of 1 minute. 30. Bad behavior e.g. spitting on the floor, throwing a bat, hitting the wall or hitting the table with the bat potentially causing damage to the table and persistent bad language will not be tolerated in any of the matches.  - b) To postpone a match, agreement must be given by both the opposing captain and the Divisional Secretary and this cannot be sought retrospectively. If an agreement is not given by both, the match must be played on the original date - if the match is not then played, the team that did not turn up to play or declared a walkover will forfeit the match and will be penalised 5 points while the team that was available to play will be awarded the match and will gain 10 points.

RULES 2017-18

Changes made to the rules are in Bold Italic text

A team may only have one outstanding match at any time i.e. a postponed match that has either not been played nor got an agreed rearranged date on the website fixture list. However, given exceptional circumstances, the Divisional Secretary may override this.

- c) Clubs requiring to withdraw a team, or who are expelled, from the League during the season, do so on the understanding that; all outstanding fees will be paid and such fees and any deposit be forfeited; all players registered for the withdrawn team be transferred to the Clubs' next higher team, or, where a club has only one team or no higher team these players registrations be cancelled. If a Clubs' highest team is withdrawn, and therefore the player's registrations cancelled, these players will only be allowed to register for a new Club with written permission from the League Fixture Secretary.
32. **DIVISIONS.** The E.C. shall have power to form as many divisions as it deems necessary including ladies and youth divisions providing that there are not less than six and not more than fourteen teams in any one division.
33. **PROMOTION & RELEGATION.** A system of promotion & relegation shall be observed, and in each division, where applicable, the top 2 teams shall be promoted and the 2 lowest teams relegated. The EC shall be responsible for filling any further vacancies and determining the final structure of the Divisions. **For the 2018/19 season please see the migration plan on the website.**
34. **DIVISIONAL POSITIONS.**
- a) The League position of a team within a Division will be based on the number of League points gained. In tied situations the positions will be resolved by comparing the matches won and if still a tie then by considering the For/Against ratio of the tied teams with the higher the ratio being ranked top. The ratio order will be games (for/against) and points (for/against)
- b) The record of any team who may resign, or be expelled shall be expunged, provided that if such team resigns, or is expelled, after one half of the seasons fixtures has been completed by that team, the record of such team during the second half of the season's fixtures only shall be expunged.
35. **INDIVIDUAL CHAMPIONSHIPS.**
- a) The individual Singles and Doubles Championships shall be organised annually by the E.C. and if practicable played off in one week at a central hall.
- b) The Championships shall be open only to bona fide registered players of the League who must have been registered, and have played in at least 25% of league matches, prior to the closing date for entries. However the Tournament Organiser can refer to the Executive Committee where special circumstances have prevented an individual playing the required 25% of league matches.
- c) In the case of the minor singles events the Tournament Committee shall exclude players of those clubs who are found to have contravened rule 19.
36. **DIVISIONAL HANDICAP KNOCK-OUT COMPETITION.** A Divisional Handicap knock-out competition shall be organised, which will be open to all affiliated clubs and teams may only play in their relevant division. Players shall only play for the team for which they are registered, and a player may not play for more than one team. No player shall be allowed to compete in the semi-final or final rounds of the competition unless they have played in at least 5 of the league matches of the team for which they are registered at the date on which such round is played. The Home team will pay the table costs if played at BTTC, however, if both teams play at BTTC then the costs will be shared. Teams will automatically be entered for the competition unless they notify the General Secretary that they do not wish to participate.
- a) There will be initial playoff rounds in order to reduce the number of teams progressing to the subsequent round to 8.
- b) For each round the teams shall be drawn in pairs by the Chairman and General Secretary. The first team drawn shall be the home team except in the case of the final round, which shall be played at a venue decided upon by the E.C. Each team shall be notified of the result of the draw and the date by which the

RULES 2017-18

Changes made to the rules are in Bold Italic text

match must be played. The home team shall be responsible for arranging a suitable date and venue for the match. Failure to play by the due date will result in the defaulting team forfeiting the match.

- c) Each team shall consist of 3 players and the match shall consist of 8 singles and 2 doubles. Each round of the match shall be 2 sets. Each set shall be played until either player has scored 21 points, and there shall be no deuces. The number of points scored by each player shall be recorded on the score sheet. The handicap of each player shall then be added to the individual points scored in each of the sets. The home team will use the notation of ABC and the away team XYZ with the relevant players name entered on the score sheet/ the home team shall enter their players names first before passing the sheet to the away team to enter their player's details.
 - d) There shall be two (2) points available for each round played. The player who has the greater number of points after the handicap has been taken into account, will score one (1) point per game. In the event of a draw, the point will be shared between the two players. A player can win a round 2-0, 1½-½ or draw 1-1. After all ten (10) rounds have been completed, the team with the higher number of points shall be the winner.
 - e) In the event of a tie, player C will play player Z over 2 games (21 up), the handicap will be added to ascertain the winning team. If the scores are still equal one additional tie breaking point shall be played by the above players.
 - f) On completion of the match the result shall be forwarded to the Tournament Secretary and/or Divisional Secretary within 48 hours of the game being played.
 - g) The handicap of each player in a team will be decided by the Tournament Secretary and/or Divisional Secretary who will, if necessary, change the handicap for each round. The handicap of each player in a team will, initially, be based upon the BTTC Summer league, their position in their division at the time of the draw for each round and any other relevant information relating to a players ability.
 - h) Any event that occurs and is not covered by the above rules will be considered by the E.C.
37. The E.C. can agree to a Summer League Competition taking place under the organisation of the Barnet Table Tennis Centre or other approved body. In those circumstances the League would have no responsibility for the fees involved or presentation of trophies.
38. All League rules (with the exception to dates in rule 17, and registration fee in rule 16) will be operable where these are reasonable. The Divisional Secretary shall have power to interpret the foregoing sentence. In case of dispute concerning the interpretation of League Rules with regard to summer play, the full facts shall be submitted by the Divisional Secretary to the E.C. whose decision shall be final.
39. **TROPHIES.** The winners of standing trophies shall have their details listed on a roll of honour and displayed at the Barnet Table Tennis Centre.
40. **BREACH OF RULES.**
- a) Any breach of rules either playing or otherwise, shall be reported to the League General Secretary who must bring such complaints before the E.C. They shall have the power to formally warn any guilty party of such breach, and continued default may be punished by the deprivation of points, and in the case of flagrant disregard of rules, by expulsion from the League.
 - b) **Review of League decisions**
 - i) Any individual or club aggrieved by the decision or action of the League, or a Committee Officer or any official of the League, may apply to the E.C. to review such a decision or action, and the E.C. shall arrange a Hearing if requested.
 - ii) Any application for a review shall be made in writing to the General Secretary within 14 days of notification of the decision or action of which the review is sought.

RULES 2017-18

Changes made to the rules are in Bold Italic text

c) Appeals against League decisions

i) Any individual member or affiliated club aggrieved by a decision or action of the League, or a Committee member or officer of the League, or by neglect or refusal to do something which such organisation or person is under duty to do, including a decision of the E.C. on a review under rule 40b, may appeal against any such decision, action or neglect or refusal, to the Hertfordshire County Table Tennis Association (H.T.T.A.), whose decision shall be final and binding on all parties.

ii) Any appeal shall be made in writing to the General Secretary of the H.T.T.A. within 21 days of notification of the decision or action, neglect or refusal appealed against, and shall be accompanied by a fee of £10 in the case of an individual or £20 in the case of an organisation, which shall be returned if the adjudicating body consider the appeal to have been justified whatever the result.

iii) Either party to the appeal shall be entitled to a hearing before the adjudicating body. Anybody may be represented at a hearing provided that the H.T.T.A. is notified in advance, in writing of the intention to be represented.

41. PAYMENTS TO LEAGUE.

- a) Receipts for all fees will only be issued on request.
- b) Cheques should be crossed and made payable to 'Barnets and District Table Tennis League'.
- c) Electronic transfers may be made to the League bank account for fees but an email should be sent to the General Secretary and Treasurer advising of the transfer.

The League bank account details are: Barclays Bank plc A/C no. 53153630, sort code 20-74-81. Please ensure that the Club name or Team name, in the case of player fees, making the payment is included in the reference field.

- 42. **DISSOLUTION.** In the event of any dissolution of the Barnets and District Table Tennis League, owing to any circumstances, a Liquidator Committee composed of the Chairman, Treasurer and General Secretary (for the time being) shall automatically be appointed to realise the assets of the League, and after all debts are settled and expenses paid any balance shall be paid as to one half to Table Tennis England and one half to the County Association, or the whole sum to one of these bodies should the other not be in being at the time.
- 43. The EC shall have powers to deal with all matters from and not covered in these Rules, and to take such action, as it shall in its discretion think fit, provided that such matters are subsequently reported at the next AGM.

Do You Know the Expedite Rule?

After many refinements to a rule which was introduced in 1936, the current rule states that games can only last for a maximum of 10 minutes play before the Expedite rule comes into operation, unless at least 18 points (the sum of both players scores) have already been scored.

After 10 minutes play:

1. If at least 18 points have already been scored the game continues to a conclusion - however long it takes.
2. If 18 points have **NOT** been scored after 10 minutes play then the game will be interrupted by the umpire.
3. The game will then be restarted with the onus effectively placed on the server to play offensively.
4. Each player will serve alternately until the end of the game.
5. If the receiver makes 13 good returns then the receiver will win the point and the game continues until there is a winner. If required a second person can be brought in to count the 'returns'.
6. In order to reduce the time to play subsequent games, all subsequent games in the same match will use the Expedite rule from the start of the game.

PLAYING ETIQUETTE

General - see Rule 29

Players are expected to behave with politeness, civility and friendliness at all times. Bad language is not acceptable whether said in the heat of the moment, directed to another player or muttered under the breath.

Shouting out (and thus disturbing other matches) between points as a means of egging oneself on is also not acceptable behaviour.

No one should abuse the equipment by hitting or banging the table, unnecessarily hitting the ball away or in extreme cases throwing their bat as this can cause injury.

The ball should always be retrieved at the end of the game by one of the players and the loser should not "storm off" but be prepared to umpire the next game if required to do so.

It is customary to acknowledge a point won if the ball hits the net and forces an unreturnable ball or getting an edge. The acknowledgement can be in the form of saying 'sorry' or raising the hand at the end of the point.

Players should always shake hands after a set has ended and also the umpire's hand.

At the end of the evening, all players should be available again to shake their opponents hands and thank them for the match.

Umpiring

All players should take turns at umpiring. The usual sequence is for the Home team to begin umpiring at the start of the match alternating with the Away team. Scores should be called immediately or when both players are within good hearing distance but not when the players are ready to play the next point before calling the score although the score may be repeated if there was a delay of some sort. Umpires should speak in a clear audible voice even if score boards are being used.

2017-18 LEAGUE FIXTURES

The fixtures for the season can be found on the Barnets Website by clicking the 'Fixtures and Results' menu and selecting the Division you are playing in. This will display a detailed listing of all the fixtures for the season. There are filters on the right hand side that you can use to 'customise' the view. If you use the filter by Team option it will show the detailed information for your team. To simplify the view for ease of printing you can choose the Simple option under the Fixture List View section and this will allow all the years fixtures, if desired, to be printed out on one page.

If you prefer the traditional chart display for your team choose the chart option.

The following weeks have been assigned for the Divisional Handicap tournament or are considered to be 'free' but can also be used for re-arranged matches if a particular team is not competing that week and there are 'spare' tables available at BTTC.
