(a) Membership year will start on 1st August and finish on 31st July following our financial year end which is 31st March. “Clubs” can apply up to the 31st July following the financial year end. “Clubs” can apply for membership of the “S. & D.T.T.A.” by paying or agreeing to pay the Guarantee Deposit. 7. FEES

The annual fees shall be:

The current fees are: Senior £14.00 Junior/Cadet £7.00

The above fees include an element for Civil Liability Insurance, which means that our Local League will in future only have to pay and charge out under (b) (iv) above for any other types of insurance. Currently we also pay for cover under a personal accident policy.

Any person who does not wish to play competitively in our League, but wishes to become a Member can do so by paying the Table Tennis England Associate Members Rate which is currently free for the coming season. A reminder that it will not be a requirement for officers, officials, Presidents, Vice Presidents, Life Members, holders of umpiring, tournament organising and coaching qualifications to pay anything as an Associate Member. Although if they also play competitive table tennis they will have to become a Player Member and pay the appropriate rate.

Any "Club" not paying all of the fees by the 30th November of that year, with all of its "Team(s)", may be expelled from the "S. & D.T.T.A." for the remainder of the "Financial Year" and neither the "Club" or any of its "members" will not be readmitted until all of the outstanding amounts have been paid in full.

8. ROLE, GOVERNANCE AND PROCEDURES AT MEETINGS

(a) The “Chairman” and other elected “Individual Officers” of the “S. & D.T.T.A.” have sufficient authority and power, so as to conduct the affairs of the “S. & D.T.T.A.” and thereby individually to meet the responsibilities and duties of their specific office. Each Officer has the right to consult with the “Chairman” or another “Officer” on a need to know basis.

(b) “Management Committee” - Its role is one of dealing with fairly important issues on an urgent basis, giving specific advice to Individual Officers on issues which may require some clarification and also acting as the first point on any matter when there is an Appeal/Clarification against the action of an “Individual Officer” or “Club”, “Team” or member. It will deal initially with any point relating to an issue on “Child Protection and the Welfare of Young Person”.

(i) This will consist of Chairman, Secretary plus one other elected member. In any case relating to an issue on Child Protection and the Welfare of Young Children, the “Child Protection Welfare Officer(s)” can also attend and will also have a right to vote.

(ii) Although a Quorum is a minimum of two persons, where possible it is better to try to co-opt another person from the “Executive Committee” to bring the number up to a recommended minimum of three persons.

(iii) The “Management Committee” has the right to refer any item to a meeting of the full “Executive Committee”.

(iv) A simple majority of those voting with the Chairman of the meeting having a casting vote in the event of a tie. Where a Quorum of only two persons is present, then both must agree to any decision.

(v) Any member of the “Management Committee” has the right to call a meeting through the “Secretary” or “Chairman”. Meetings can be called at very short notice, but as much notice as possible should be given.

(c) “Executive Committee” - Its main role is that of running the “S. & D.T.T.A.” and making the principle decisions from an operational point of view, for example deciding on the League Structure, Closed Championships, Handicap Competitions, Presentation Evening, Development and Finance. It will have the responsibility to implement the decisions made by General Council and will also be the main mechanism for attending to any appeal made by a member, “Club” or “Team”.

(i) It will consist of the “President”, “Chairman” and other “Elected Officers” referred to in 5 (a) above and the six elected members referred to in 5 (c) with the “Chairman”, or in his absence the “Vice Chairman”, also acting as Chairman of this Committee. In the event of both the Chairman and the Vice Chairman not being available to take the Chair, “the President” or another elected “Member of the Executive Committee” will take the Chair to enable the Meeting to take place.

(ii) Meetings will be arranged by the “Secretary” or “Chairman” giving as much notice as practical (hopefully a minimum of seven days) to those entitled to attend. Members of the “Executive Committee” should assume that there will be a meeting immediately following a “General Council Meeting”, unless the members are advised to the contrary.

- (iii) The “Executive Committee” will have the power to appoint sub-committees and also to co-opt other members for a specific reason or project or to fill a simple vacancy that may arise in the “Executive Committee” or one of its “Officers”.
 - (iv) A Quorum of five who will all have the right of a vote.
 - (v) This Committee will hear an Appeal against the actions of the “Management Committee”, or any matter referred to it by the “Management Committee”.
 - (vi) A simple majority of those voting with the Chairman of the meeting have a casting vote in the event that it was a tie.
- (d) “General Council” - Its role is to meet on a regular basis with say a minimum of three meetings per year. One meeting will be prior to the start of our season (normally in September) so as to issue all of the Handbooks and deal with any queries before the season starts. Others will be held during the year (probably early November and early February) so as to receive reports from the various “Officers”, and to make policy decisions on the running of the “S. & D.T.T.A.” It will attend to other matters, which have been brought to its attention so that decisions may be made and generally will monitor the progress of our “S. & D.T.T.A.”
- (i) It will consist of all of the Members stated in our Constitution under (5a to 5d) namely all Members of the Executive plus “Life Members” and a representative from each of our “Clubs”, who will each have one vote. Other registered players may attend any “General Council Meeting”, and take part in any discussion, but will not have any voting rights. The “Chairman”, or in his absence the “Vice Chairman”, will act as Chairman of any General Council Meeting. In the event of both the “Chairman” and the “Vice Chairman” not being available to take the Chair, the “President” or another elected “Member of the Executive Committee” will take the Chair to enable the meeting to take place.
 - (ii) A Quorum must be a minimum of ten persons who are entitled to vote at a “General Council Meeting”.
 - (iii) Meetings will be arranged by the “Secretary” or “Chairman” giving a minimum of fourteen days notice, unless as a matter of urgency ten persons who are entitled to vote agree that this minimum notice may be dispensed with for a specific item(s), for example to discuss an item(s) referred to it by the “Executive Committee”. Meetings may also be arranged to discuss specific issues, by any ten persons who must all have the right to vote at “General Council”, collectively writing to the “Secretary” and requesting that a “General Council Meeting” is called within one month of the receipt of the duly signed document hold such a meeting. A minimum of fourteen days notice must then be given to all “Members of the General Council” to hold this particular meeting and enclosing an agenda together with any supporting documents.
 - (iv) Each “Club” must be represented at each “General Council Meeting” of the “S. & D.T.T.A.” Where a Club is represented by a member who already has a vote, because the person is already a “Life Member”, or say is on the “Executive Committee”, then in total that one person has only one vote. The same rule applies to any “Life Member” who is also on the “Executive Committee” or is “President” then that person can only have one vote.

The formation of the League and the overall operation is the responsibility of the Executive Committee of the S. & D.T.T.A. The day-to-day management of the various Competitions is, however, delegated to the Chairman, Secretary and Registrar and therefore may consist of the same “Officers” who make up the “Management Committee”. This small Management Group will therefore operate under the same rules as that of the “Management Committee” of the “S. & D.T.T.A”.

(a) The “Secretary” is responsible for the general administration of the League.

(b) The “Registrar” is responsible for the Registration of Players, the position of each team in the league and players statistics.

(c) Upon request the Sunderland and District Table Tennis League will consider organising a separate Junior League(s) for players who are aged Junior or Cadet as defined by Table Tennis England rules and regulations. This will be a separately run League and every team will consist only of Junior/Cadet Players. A Player of the appropriate age group however can register with a team playing in the Junior League and also a different one in the Senior League.

(d) In the first year a Junior League(s) will be run as a pilot and the rules and regulations for that season will be agreed by the Chairman, Secretary and Registrar plus one/two additional person(s) who will be co-opted onto a sub committee by the Association’s Management Committee to draw up the rules of operating the scheme in this first year and who will have full responsibility for its operation during the whole of year one. The Fees under 7(i) will be as laid down by the D.C.T.T.A. and 7 (v) as shown and payable to the S. & D.T.T.C. Rule

7(vi) will not apply. All Members of the Junior League will have to join Table Tennis England Individual Membership Scheme and pay the appropriate fees for the year .

(e) The following Competition Rules will not apply (1), (2), (3), (5), (6), (7), (8), (9), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19) and will be replaced by a simple set of rules as regards to Registration of Teams, Players and the Composition of the Team and operation of the Junior League as agreed by the sub committee shown in 2(iii) above. All Members of the Junior League will be able to enter the Junior events of the Sunderland Closed Championships, but not the Senior Events or Handicap Competitions unless a player is also registered with a team in our Senior League.

2. The “Executive Committee” of the “S. & D.T.T.A.” will invite any “Club” who has paid or promises to pay the Guarantee Fund and all other fees to enter “Teams” into our League and then be included into our Handicap Team Competition. Whilst it is the responsibility of each “Club” to decide how each of their “Teams” will operate, it is the “Clubs” ultimate responsibility to ensure that all fees, fines and other charges are paid at the appropriate time (as per 7(b)).

3. (a) The Registration for each player should be submitted by the “Club” to the “Registrar” of “S. & D.T.T.A.” and where possible the “Club” should indicate which “Team” that these “Registered Players” will play for during the course of the forthcoming season. When a “Registered Player”, who has not yet been nominated by the “Club” to a “Team”, actually plays for a “Team” (i.e. appears on a team scorecard) or is subsequently nominated to a “Team” or plays for another “Team” other than the one that has previously been nominated within the same “Club”, then the “Registrar” will amend his records accordingly. (Subject to the Registered Player meeting all the relevant regulations within rules 11 and 12).

(b) All players shall be registered as “Registered Players” of “S. & D.T.T.A.” by the “Registrar” on behalf of the “Executive Committee” and a player can only play for a “Team”, once a period of 48 hours has elapsed after the receipt by the “Club” of the “Registrar’s” written confirmation. In the event of the “Registrar” being temporally absent or indisposed, then the “Secretary” or the “Chairman” may accept and fulfil the role of “Registrar” to cover any emergency. It is always the “Clubs” responsibility to ensure that all of their players are duly registered and also fulfil all of the requirements as regards to “Players Registration”.

(c) Where a person plays for a “Team”, and does not meet the requirements as regards to the “Players Registration”, then the “Registrar” will amend the scorecard of the match, by deleting all of the results in this match of this person, and recording a 3 games to 0 win to the opposing “Registered Player(s)” and then fining the “Team” for not playing a full team under rule 9.

(d) A player may register at any time throughout the membership year to the 31st July, but to be eligible to play in our League or Closed Championships (except events for juniors and below) during the current season, a player must be registered by the 31st December.

4. The equipment for each game shall be in accordance with Table Tennis England regulations.

The only exception to this 11 up rule will be for individual and team handicap events, where 21 up will still continue as before namely, (best of five for individual handicaps and best of three for team handicaps). All of our Leagues and Closed Championships will therefore be on the basis of 11 up best of 5 games in respect

of all events started after 1st June 2002. Organisers of “S. & D.T.T.A.” will still be able to arrange other events for example best of 3, or best 7 games providing that these games are all played in accordance to the 11 up rule.

A team, upon application to the “Registrar” will be granted one permit player (to cover night school or shift work) who will be allowed to arrive at the venue and be ready to play no later than 9 p.m. (Unless playing in limited time circumstances under Rule 13). Both clubs must notify the “Registrar” of the postponement within 10 days of the date in the fixture chart and regardless of the 4 week rule all matches must be played no later than the Friday following the last week of the league season. Failure to notify the Registrar of a postponement shall incur a fine of £1.00. All postponed fixtures must be played within 4 weeks of the date in the fixture

chart. "Registrar" will award points or declare the match void for all games not played within the due date. Teams will not be allowed to play for double points.

11. A player can only play for one "club" In a season unless the transfer of a player from one "club" to another shall be agreed to by the "Executive Committee". When a "club" refuses the transfer desired by a player the said player may lay the case before the "Executive Committee", which having been satisfied that the player in question has a bona fide reason for desiring the transfer (the onus of proving satisfactory reason must rest with the player) shall have full power to deal with the matter as they think fit. No transfer shall take place after 31st December unless in the case of exceptional circumstances, e.g. the closing of an institute, etc. In such a case the "Executive Committee" shall have full power to determine the best course of procedure.

12. No player may play for a lower ranked team than that for which they are registered. A player having played five matches for a higher team shall be recognised as a higher team player. No player may play for two teams in the same division.

13. The visiting team shall accept any reasonable request by the home team to use additional tables to ensure that the match is completed within the time available. When a permit player is to play under these circumstances, that player must arrive at the venue and be ready to play no later than 45 minutes before the declared finishing time or 9 p.m. whichever is the sooner. Failure to do so will result in that player conceding all three sets.

14. At the end of each season the "teams" having the largest number of merit points shall be declared champions of their respective divisions. In the event of two or more teams being equal in merit points the league position shall be determined by the number of sets won or if that being equal on games won or if that being equal on points won. Teams finishing first or second in the division shall replace the bottom teams in the higher division, The bottom two teams will then play in the lower division in the next season.

15. The teams which win their respective divisions for the season shall become the holders of the Divisional Challenge Cups after giving a guarantee of their safe return to the "Secretary" of the "S. & D.T.T.A." by 1st February in the following season. These Challenge Cups cannot be won outright.

- (c) If the set reaches a third game there should be a change of ends when the scratch player reaches the score 10.
- (d) Each player who qualifies for the team handicap will be graded based on previous/current form grading system. Before a match commences the team secretaries/captains will agree the start for each player with the lower graded player commencing on zero (scratch mark). The start for each player with the lower graded player receives is calculated by taking the differences between the grades/handicap for the two players and this net handicap is then compared to a number of points start chart to determine the start for each game.

A team conceding a match i.e. declining to play / not turning up will be fined £5.

18. Singles Handicap. The onus of arranging the tie shall be with the first named player who shall offer his opponent within seven days of the start of the round two alternative dates, failure to abide by these conditions the onus will then pass to the second named player to arrange the tie and shall offer his opponent one date which must be accepted or scratched from the tournament.

8.1 The amount of the session or match fees and annual subscription shall be determined at the Annual General Meeting each year. The Management Committee shall initially fix any fees for any new sessions or matches, or have the right to amend any fees previously set because of any change in economic circumstances, and such decisions should be agreed at the next Annual or Special General Meeting.

8.2 The Treasurer shall collect the fees and subscriptions and maintain an account on behalf of the members, in the name of the Club, at a bank or building society.

8.3 A minimum of three officials including the treasurer should be authorised by the Management Committee to sign cheques on behalf of the Club. The cheque signatories should not be related. All cheques drawn against the Club's funds shall be signed by two signatories, one of whom preferably should be the treasurer.

8.4 Any expenditure of the Club funds must be authorised by the Management Committee, or in an emergency by the Chairman and one other officer, one of which should not sign the cheque relating to this specific transaction. All emergency transactions, retrospectively should be approved by the Management Committee.

9. DISSOLUTION

9.1 If at any General Meeting of the Club, a resolution be passed calling for the dissolution of the Club, the Secretary shall immediately convene a Special General Meeting of the Club to be held not less than one month thereafter to discuss and vote on the resolution.

9.2 If at that Special General Meeting, the resolution is carried by at least two-thirds of the full members present at the meeting, the General Committee shall thereupon, or at such date as shall have been specified in the resolution, proceed to realise the assets of the Club and discharge all debts and liabilities of the Club.

9.3 After discharging all debts and liabilities of the Club, the remaining assets shall not be paid or distributed amongst the full members of the Club, but shall be given or transferred to the Association, or failing that to some local voluntary organisation having objects similar to those of the Club.

10. INSURANCE

10.1 The Club shall take out public liability policy of insurance.

10.2 All members shall comply with the terms of the policy, a copy of which shall be held by the Secretary and shall be available for inspection at reasonable notice. As 'The Association' is the principal policy holder, all correspondence on this insurance policy has to be dealt with by their 'Honorary Secretary'.

Adopted by Sunderland and District Table Tennis Club at their first Annual General Meeting held at St John House, 12 Grange Crescent, Sunderland on Monday the 14 May 2001 with subsequent revisions.

11. The Management Committee can agree to join/affiliate to any other charitable/voluntary organisation that will assist our 'Club' in meeting its 'Objects' or help in promoting the development of the Players and the game of Table Tennis within Sunderland or its immediate surrounding District. It is understood that the aims and objectives of such a charitable/voluntary organisation should not conflict against any of the aims and objectives of the English Table Tennis Association Ltd., Sunderland and District Table Tennis Association or our 'Club'. (N.B. this should allow our 'Club' to join for example the Voluntary & Community Action Sunderland). Any affiliation to this type of organisation should only be limited to a maximum of one year and then can be reviewed on an Annual basis by the 'Mangement Committee".

Please note all officers, players and other persons registered with Table Tennis England must abide by the rules of Table Tennis England., D.C.T.T.A., S. & D.T.T.A. and Imagine Table Tennis Club.

IMAGINE TABLE TENNIS CLUB

Table Tennis Coaching and Practice Sessions

The club is directly affiliated/registered with Table Tennis England and was previously known as the ETTA Premier Club Programme.

This is a national programme designed by Table Tennis England to support the development of new and existing table tennis clubs, and to improve the club structure for Table Tennis in England.

To assist player development from the playground to the podium under the Sport England strategy for 2012/2017 so as to:

- See more people taking on and keeping a sporting habit
- Create more opportunities for young people
- Nurture and develop talent
- Provide the right facilities in the right places
- Provide the right facilities in the right places
- Support local authorities and unlock local funding
- Ensure real opportunities for communities

This means better transitions from School to College, to University, Work and Beyond.

Raise the percentage of 14-25 year olds playing sport and reduce the proportion of players dropping out of Sport by the age of 25.

Increase the year-on-year growth in Adult Participation.

Table Tennis is classed as a sport for life, therefore it has to provide facilities for age groups well outside of those laid down above, for example there is no reason why young players should not start playing our sport at the age of seven and continue to play after the age of ninety.

Whilst very few of our Venues in Sunderland presently can offer facilities to play table tennis apart from teams/clubs playing in our league matches this Club does offer the following facilities:

Sandhill Sports Centre: Friday evenings

(All Age Groups and Mixed Ability)

5.30pm to 7.30pm Coaching for Beginners

7.00pm to 9.00pm Limited Coaching and Practice Sessions plus open play.

Supporting Information:

Table Tennis England Child Protection Policy and Guidelines

Table Tennis England's National Equality and Child Protection Officer can be contacted on 01424 722525 or 07977 2243327.

CODE OF CONDUCT

It is possible to reduce situations of possible abuse and to protect coaches and volunteers by promoting good practice. Full copies of all Table Tennis England's Codes of Conduct to which all parents/carers, volunteers, coaches and players staff should read, be aware of, and sign up to may be found in the Appendices.

It may sometimes be necessary for coaches or volunteers to do things of a personal nature for children and young people, especially if they are very young or have disabilities. These tasks should only be carried out with the full understanding and consent of the parents and the young people involved. There is a need to be responsive to a young person's reactions - if they are fully dependant on you, explain what you are doing and give choices where possible. This is particularly necessary if you are involved in dressing or undressing, or where there is physical contact whilst lifting or assisting a young person to carry out particular activities.

If you accidentally hurt a young person and they appear distressed in any way, appear to be sexually aroused by your actions or misunderstand or misinterpret something you have done, report any such incident as soon as possible to the local child welfare officer or the person in charge and make a brief written note. Parents should be informed of the incident.

GUIDANCE FOR PARENTS/CARERS

In order to gain the best experience from their involvement in sport, children generally rely on their parents/carers for both emotional and financial support. This influence can be critical as their child becomes involved in training squads and competitive play. Parents/ carers should be aware that Table Tennis England expects that everyone involved with table tennis will: respect the rights, dignity and worth of anyone they meet within our sport; treat everyone equally regardless of age, ability, gender, race, religion, ethnic origin, social status or sexual orientation; accept it is all of our responsibility to challenge any injustice that may occur within our sport; accept that everyone has the right to be protected from abuse. It is hoped that the following will prove useful to parents/carers to play a positive part in their child's career in table tennis:³ Support your child's involvement and help them to enjoy all that table tennis has to

- * Encourage respect for the laws of table tennis, support and promote fair play at all times and the acceptance of umpires and officials' decisions.
- * Encourage recognition of good performances in others as well as themselves. Do not applaud opponents' unforced errors (eg. serving into the net) or their misfortunes.
- * Uphold high standards of behaviour, appearance and the importance of being a good team member.
- * Establish a positive partnership with the coach to help provide the best possible balance between the demands of table tennis, education and home.
- * Ensure that your child is aware of all the arrangements for any trips.
- * Ensure that your child has the correct equipment and clothing for any trips.
- * Be punctual when collecting or dropping off your child.
- * Ensure that your child reads and understands the Code of Conduct for Players.
- * Never exert undue pressure on your child to compete or get results. Be realistic about your child's ability.
- * Always use appropriate language and ensure your child does the same.
- * Under no circumstances condone any rule violation or the use of prohibited substances.
- * Ensure that your child understands that they should take responsibility for their own safety.
- * Show respect and trust the coach working with your child.
- * If you have any questions or queries please deal directly with the coach and not in front of your child. Do not compromise the relationship between the coach and player.
- * Encourage your child to take responsibility for their own actions on and off the table eg. not blaming others or seeking excuses for their own shortcomings or mistakes, and encourage their greater independence.
- * When at a competition or event please always remember that your role is as a

supporter and allow the coach the space to work with your child and never comment on any instructions the coach may give as this could be counterproductive.

* If acting as a responsible adult for a team or squad, parents/carers must have attended a Child Protection Workshop and have been CRB checked.

CODE OF CONDUCT FOR PLAYERS

- Always do your best in every situation and set a positive example to others.
- Be punctual at all times for training and competition and be ready at the table to play.
- If you feel unwell or have an accident you should report immediately to one of the responsible adults.
- Treat both the competition and training venues with respect and always leave kit bags neatly where they will not cause an obstruction to others.
- Once at the competition playing arena no player should leave the venue unless given specific permission or instructions by one of the responsible adults.

- Always respect and never underestimate your opponents.
- Always encourage and support your fellow team members at all times without behaving in an unsporting manner towards their opponents.
